## HOW TO MAKE THE MOST OF YOUR

# KidZania EXPERIENCE!

- GET A HANDY LANYARD**  
Purchase a lanyard with plastic holder from the KidZania Shop to keep your debit card and kidZos conveniently and safely.
- CHOOSE YOUR CAREERS**  
With so many different role-play activities, you will be spoilt for choice! Check the Census Board displayed outside each establishment to know more about the activity, minimum age, duration of play and how much kidZos you can earn or need to pay.
- BECOME A CITIZEN TODAY!**  
Kids can sign up for the B-KidZanian programme with their parents to enjoy exclusive discounts. To find out more, head on over to the PaZZport Office located opposite the fountain at the Ground Floor.
- TODDLER ZONE**  
For the younger kids, they can join in the fun too at the RightZKeepers residence on the Mezzanine Floor! There will be Bache's Play Den and Urbano's Science Lab where they can explore different fun activities.
- WHERE PARENTS HANG OUT**  
While kids are having fun, parents can relax at the Event Lounge located at the Mezzanine Floor.
- ACTIVATE YOUR DEBIT CARD**  
With 50 kidZos on hand, you can start exploring the City first. You can head over to the Bank any time during your visit to set up your bank account, activate your debit card and top up whenever at any ATM located around the city.
- SPEND OR SAVE**  
After a hard day's work, you can choose to spend your kidZos at the Department Store for a well-deserved treat! If you intend to come back to KidZania Kuala Lumpur, you may save the kidZos in your bank account. If you are visiting another KidZania City, simply bring the kidZos along for a one-for-one exchange in the City you are visiting!
- SNAP A PHOTO OR TWO**  
Don't forget to smile for the camera while hard at work! Parents can purchase these photos from the Photo Booth located on the First Floor.
- BRING HOME A MOMENTO**  
Get exclusive KidZania Kuala Lumpur souvenirs at the KidZania Shop! Be sure to drop by before you leave.
- WE HOPE TO Z-U AGAIN!**  
A biometric scan will be conducted as visitors exit through Customs & Immigration. For security reasons, everyone who enters together as a group must also leave as a group.
