

OHIO WORKERS' COMP REPORTING AND CLAIMS PROCESS

The State of Ohio requires every business with employees to provide workers' compensation through a state agency. The government-operated-fund chosen by Bobby Jones Links is called Sheakley. In the event of an injury, please do the following:

If the Associate **does not seek medical treatment,** an Incident Report, First Report of Injury, and Refusal of Treatment Form must be completed and emailed to the BJL Vice President of Operations and hr@bobbyjoneslinks.com.

If the Associate **does seek medical treatment,** an Incident Report and First Report of Injury must be completed and emailed to the BJL Vice President of Operations, hr@bobbyjoneslinks.com, and unicompfrois@sheakley.com. Please also provide the injured associate a copy of the Injured Worker ID card to take with them when they seek medical treatment. This can be located on the Caddy Shack.
