By signing below, I affirm that the funds I am rolling are in fact eligible for such treatment. Withdrawal Restrictions - I understand that the Internal Revenue Code and/or my employer's Plan Document may impose restrictions on rollovers and/or distributions. I understand that I must contact the Plan Administrator, if applicable, to determine when and/or under what circumstances I am eligible to receive distributions or make rollovers.

Investment Options - I understand and acknowledge that all payments and account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate, and, upon redemption, shares may be worth more or less than their original cost. I understand and agree that Service Provider will not be liable for the results of my investment directions.

Account Corrections - I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors.

Certification for Late Rollover Contribution - Pursuant to Internal Revenue Service Revenue Procedure 2016-47, I certify that my contribution which I have described on this form missed the 60-day rollover deadline for the reason(s) listed under Reasons for Late Contribution Section. I am making this contribution as soon as practicable after the reason or reasons I indicated no longer prevent me from making the contribution. I understand that this

certification concerns only the 60-day requirement for a rollover and that, to complete the rollover, I must comply with all other tax law requirements for a valid rollover and with your rollover procedures.

Pursuant to Revenue Procedure 2016-47, unless you have actual knowledge to the contrary, you may rely on this certification to show that I have satisfied the conditions for a waiver of the 60-day rollover requirement for the amount identified on this form. You may not rely on this certification in determining whether the contribution satisfies other requirements for a valid rollover.

I declare that the representations made with respect to my certification for late rollover contribution on this form are true and that the IRS has not previously denied a request for a waiver of the 60-day rollover requirement with respect to a rollover of all or part of the distribution to which this contribution relates. I understand that in the event I am audited and the IRS does not grant a waiver for this contribution, I may be subject to income and excise taxes, interest, and penalties. If the contribution is made to an IRA, I understand you will be required to report the contribution to the IRS. I also understand that I should retain a copy of this signed certification with my tax records.

Step-by-Step Instructions for Rollover Contributions

CMAA Club Retirement Plan fbo Bobby Jones Links offers you the opportunity to "roll over" the distribution you receive from your previous employer's Plan or IRA. The following information and instructions are designed to help you through this process. If you have any questions, please contact a dedicated specialist at 1-888-737-4480.

Determine Whether Your Contribution is a Direct Rollover or an In-direct 60-Day Rollover.

- **Direct Rollover:** Your previous plan or annuity makes the distribution check payable directly to Empower Trust Company, LLC as trustee of this Plan.
- **In-direct 60-Day Rollover:** Your previous plan or annuity makes the distribution check payable to you.

If You Are Electing a Direct Rollover

- Complete the Participant Information section of the Incoming Rollover Election form.
- Complete the Rollover Information section choosing Direct Rollover and the applicable Internal Revenue Code ("Code") plan type on the form.
- Complete the Previous Provider Information section.
- Complete the Required Documentation section. Please attach a copy of most recent account statement to the Incoming Rollover Election form. If your most recent account statement does not indicate the Code plan type and Plan Name of your previous employer's plan, you must ALSO have your previous employer sign the Incoming Rollover Election form. For an IRA, please verify the account statement indicates the account is an IRA.
- For a Direct Rollover from an IRA please note: The maximum amount eligible for rollover is the total amount of your taxable IRA contributions plus earnings. Non-taxable IRA contributions may not be rolled over. If your rollover amount was held in a conduit IRA and you were born before January 1, 1936, you may be eligible for capital gains treatment. In this instance, you may want to track these rollover amounts in order to be eligible for favorable tax treatment. If the amounts were from a SIMPLE IRA, you would have had to participate in the SIMPLE IRA for a minimum of two years.
- **If you have already received a rollover check, send this form, the check and the check stub together to the appropriate address shown in the Payment Instructions section.**
- **If you do not have a rollover check, and have not initiated a distribution from the other provider,**
 1. **Send this form with appropriate documentation described on this form.**
 2. **In order to complete the rollover, the previous provider must be contacted and instructed to distribute the assets. If you would like assistance with contacting the other carrier, please contact a dedicated specialist at 1-888-737-4480.**

For an IRA, please verify the account statement indicates the account is an IRA.

Some Important Rollover Facts

- If any documentation is missing, your request will not be processed until you have submitted the required documentation for review.
- In the event that a rollover contribution is made that cannot be accepted, the rollover contribution will be made payable and returned to the issuer. Please contact a dedicated specialist at 1-888-737-4480, if you have any questions about your incoming rollover options for this Plan.
- Examples of Contributions Which Cannot Be Rolled Over:
 - Any "required minimum distribution" (i.e., amount being paid to you because you are age 70 1/2 or older).
 - Distributions that are a series of periodic payments (made at least annually) and paid to you over your life expectancy (or the life expectancy of you and your beneficiary) or for a period of at least 10 years.

 - Unforeseeable Emergency Distributions
 - Excess Contributions
 - Roth IRA Assets
- Please Note: If you are making a "Regular 60-Day Rollover" under Federal Regulations, you have 60 (sixty) days from the date of your distribution to make a rollover contribution. It is your responsibility to ensure that Service Provider receives all required documentation AND your rollover contribution prior to the expiration of the 60-day period. After 60 days, Service Provider can only accept a rollover on behalf of the Plan if you certify a reason for late contribution. You will be responsible for any income tax or tax penalties for failure to meet the 60-day rule for rollover contributions when information is not provided and the rollover contribution is not made within the 60-day period. If you provide a reason for late contribution, you will be responsible for maintaining the documentation.
- An election to rollover to this Plan from another plan or IRA may result in significant tax consequences to you. You are responsible for any income tax or penalties for the election made in this form.
- Review decisions related to your qualified plan distribution with your financial advisor or tax advisor.

Read this information carefully.
