

OHIO WORKERS' COMPENSATION REPORTING AND CLAIMS PROCESSES

The State of Ohio requires every business with employees to provide workers' compensation through a state agency. The government-operated-fund chosen by Bobby Jones Links is called Sheakley. In the event of an injury, please do the following:

If the Team Member does not seek medical treatment, an Incident Report, First Report of Injury, and Refusal of Treatment Form must be completed and emailed to the BJL Vice President of Operations and hr@bobbyjoneslinks.com.

If the Team Member does seek medical treatment, an Incident Report and First Report of Injury must be completed and emailed to the BJL Vice President of Operations, hr@bobbyjoneslinks.com, and unicompfrois@sheakley.com. Please also provide the injured associate a copy of the Injured Worker ID card to take with them when they seek medical treatment. This can be located on the Caddy Shack.
