

Boost your property's value with fully funded EV charging

Be.
EV™

Be.EV provides fully funded EV charging infrastructure at zero cost to landlords. We handle installation, operation, and maintenance—helping you attract more customers, increase dwell time and spend, generate passive income, and support a greener future.

Is your site a fit?

- ⚡ Retail parks, drive-thrus, roadside and car parks
- ⚡ High-traffic locations near major roads (within 2 mins of a main route)
- ⚡ Minimum 20k daily vehicle trips
- ⚡ 2-24 parking bays available for EV charging
- ⚡ 24/7 unrestricted public access
- ⚡ On-site amenities (e.g. coffee shops) are a plus

Why partner with Be.EV?

- ⚡ Zero CapEx for landlords
- ⚡ Flexible revenue share or ground rent models
- ⚡ Rapid deployment, proven results
- ⚡ Long-term partnerships with custom lease options
