# BRATISLAVA RAČA

Office A

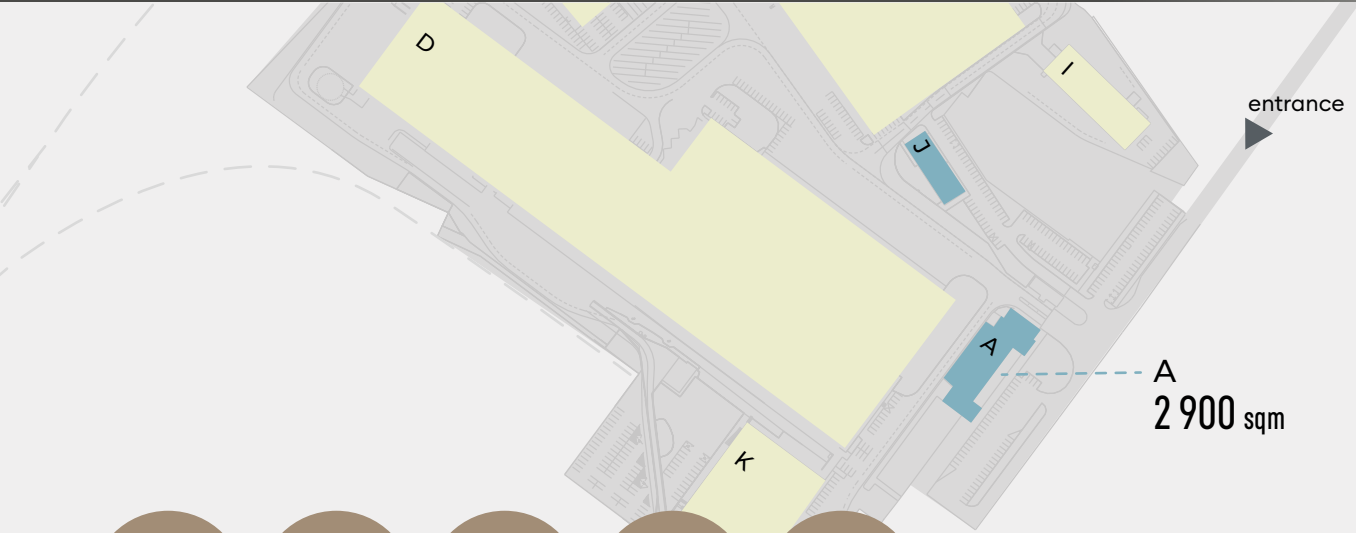

Functional office units are located in CONTERA Park Bratislava Rača. They are located in an ideal location and are perfectly connected to public transport. The public transport stop is right in front of the building. There is also a superior number of parking spaces and cycle racks. The complex includes a canteen. The complex offers a pleasant working environment with plenty of greenery and a relaxation area for employees. Thanks to its strategic location, there is easy access to important city institutions and services.
