

Wiley Open Access Accounts for Institutions and Funders

ACHIEVE MORE WITH OPEN ACCESS >

Wiley Open Access Accounts (WOAAs) put you in control. Institutions and funders can enjoy a seamless, hassle-free way to manage article publication charges (APCs).

Whether you publish in hybrid or fully gold open access journals, WOAAs enable you to:

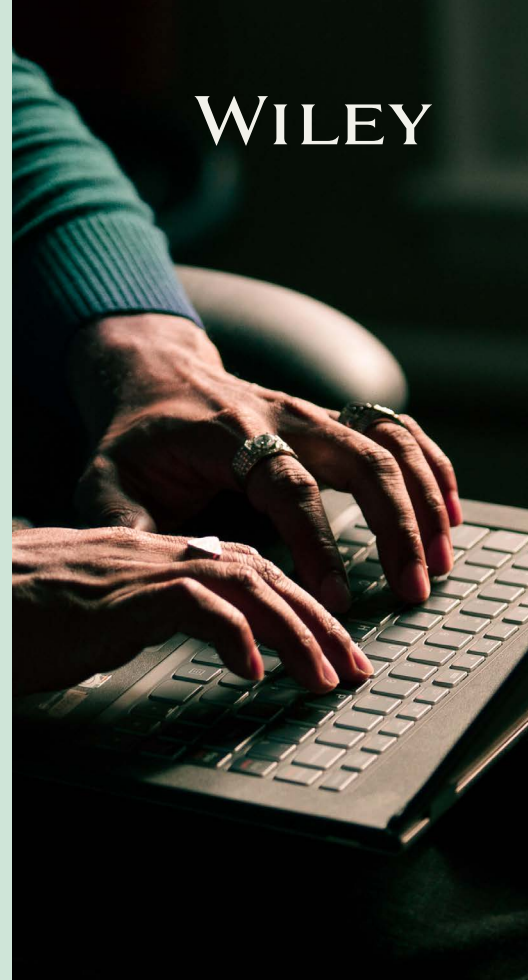

- Pay APCs centrally, saving time and effort
- Enjoy discount APCs depending on your deposit size
- Give your researchers the opportunity to publish openly
- Streamline administration and free up resources for what matters most

PROVEN GLOBAL IMPACT >

Compared to subscription articles, open access articles:

- Are viewed 3.5x more
- Receive 33% more citations
- Generate 4x as much Altmetric score

WILEY

DESIGNED FOR RESEARCHERS AND INSTITUTIONS >

STREAMLINED PUBLISHING

Enjoy a workflow that fits right into your existing APC management and research publishing routine.

COST EFFECTIVE

Take charge of your open access budget with flexible payment options and APC discounts.

FLEXIBLE SETUP

Choose contract length, payment method, and journal selection to match your institution's needs.

SOURCE OF TRUTH

Access a robust reporting dashboard to track publishing trends, review history, and demonstrate research compliance.

EASY FOR AUTHORS

Stay informed about APC funding. We make it simple for researchers to publish under a Creative Commons License.

BY THE NUMBERS >

1,900+
