May 2026 – August 2026

Mujica Mentoring
Founder & Tutor, 30 hours per week

Weston, FL
November 2021 – August 2025

- Designed and delivered individualized 1-on-1 tutoring strategies for 10+ students, developing structured lesson plans and targeted study frameworks that improved student performance by 10-20% across core subjects
- Communicated weekly with 5–10 clients to set student performance goals, monitor progress, and adjust lesson strategies, improving accountability and helping students stay on track with academic development
- Managed 8–10 weekly tutoring bookings through proactive scheduling, session preparation, and client follow-up, ensuring smooth weekly operations, clear communication, and consistent service delivery

Premier Aerospace Corp.
Purchasing Assistant, 20 hours per week

Miami, FL
June 2024 – July 2024

- Processed 200-250 monthly purchase orders in coordination with purchasing and accounting teams while analyzing lead times, delivery accuracy, and cost variances across 15+ weekly orders to identify reliable, cost-effective vendors
- Contacted 20-25 vendors daily to source 75+ aircraft parts, evaluating pricing and quality to optimize vendor selection

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Delta Sigma Pi – Beta Eta Chapter
Pledge Class Vice President of Finance

Gainesville, FL
February 2026 – Present

- Completed a 5-week professional development program alongside 28 peers strengthening skills in collaboration, communication, and professionalism through workshops, group projects, and networking events
- Supported the Vice President of Finance by collecting pledge dues, maintaining financial records, and writing weekly finance tips to improve members' understanding of responsible money management across the chapter
- Developed and delivered weekly PowerPoint presentations for chapter meetings of 100+ members, covering market updates, business trends, and economic developments to drive engagement and discussion on current financial topics

UF Latinos in Action
Co-Founder & Treasurer

Gainesville, FL
January 2026 – Present

- Built and structured the financial infrastructure for a newly founded organization, developing sponsorship packages, starting corporate outreach, and projecting a \$4,500 operating budget with \$800+ allocated toward scholarships
- Oversee financial planning and operational budgeting for a 10-member executive board, establishing event-level finance timelines and scalable processes to support projected growth to 20+ members next semester

DISS Capital
Fundamental Analyst

Gainesville, FL
January 2026 – Present

- Engage in a 10-week corporate and investment finance curriculum consisting of valuation, accounting, and investment strategy in a group of 20+ fundamental analysts to create a weekly one-page analysis on curriculum content
- Lead the production of equity investment proposals by utilizing valuation methodologies such as discounted cash flow (DCF) and comparable company analysis to be placed in a non-profit long-only portfolio over \$1.2 million
