If you're a bit short, we can help by adding Lulu's merch or a gift card to meet the minimum.

22% GRATUITY

A 22% gratuity is included to support your dedicated service team. You're always welcome to add anything extra if you feel it's appropriate.

MAXIMUM OF 6 GUESTS PER IGLOO

Thank you for understanding.

BEFORE YOU GO

Feel free to take as many photos as you'd like! We only ask that you leave the décor in place so each igloo stays magical for every guest this season.

We'll give you a friendly 10-minute reminder before your time ends — not to rush you, but because another group is excited to enjoy the igloo magic next.

Thank you for celebrating the season with us. We hope your visit is warm, memorable, and full of joy.
