🎓 EDUCATION

Autograf, Art & Design School, Paris. Digital and Print Layout Graphic Designer. 2011

Maxime Gadet is a Senior Product Designer

Senior Freelance Product Designer at **LFP - French soccer league**

Miami, FL / 2023 - Present

Design the digital experience of our Ligue 1 official product. Created our french soccer league Design System, specific architecture, design token for our 3 products, Ligue 1, MPG & MPP, across iOS, Android and Web. Improved workflow and engagement strategy

Lead Product Designer at **MPG - Mon Petit Gazon**

Paris, France / 2019 - 2023

Designed for three apps and two websites used by millions soccer fan users. I work on user testing, research, wireframing, prototypes and interaction design. I create and maintain design systems & guidelines between our products.

Product Designer at **Oodrive**

Paris, France / 2017 - 2019

I was in charge of the design of Oodrive share products (Secure content & collaboration) for mobile (iOS & Android), web and software (MacOS & Windows).

Front-end & UI Designer at **Easyvoyage**

Paris, France / 2012 - 2017

I designed & developed features for easyvoyage.com & easyvols.fr (travel comparator french leader) with more than 4 millions unique users.
