

Our commitment to you

For your safety, not surveillance

Safety purpose

Geolocation data is used only for your own safety

Minimum data

Only necessary data for safety purpose can be shared

Controlled access

Data can only be accessed by authorised personnel

Change control

Any change to the policy will require union consultation

Prohibited for disciplinary use

Location data will never be shared to support with any kind of disciplinary or performance proceedings

Questions?

For more information on Network Rail's data policy for geofencing please contact your line manager or trade union representative.
