HAYDEN BLOCK SMOKE & WHISKEY

Hayden Block Smoke & Whiskey is a texas-smoked bbq joint in the heart of Kensington, Calgary.

Smoking our meat from 10-14 hours, we've become known for our brisket. We also offer a wide selection of meats, trays, and sides to choose from – all of which can be enjoyed family-style.

Book your next event with us in the restaurant, on our year-round whiskey garden, or upstairs in our newly-opened Hayden Hall – a unique space equipped with a full bar and stage for live music.
