

Legal Kiosk

Quick Guide

How to Use the Legal Kiosk

There are 2 Kiosk Views:

Kiosk Homepage: info, services, or join virtual meetings

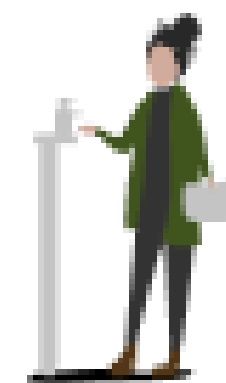

Kiosk Desktop: end a session, change settings or view scanned documents

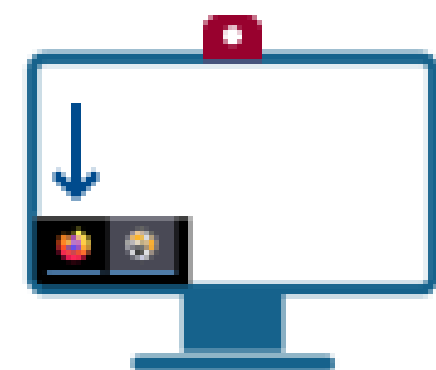

Use Hand Sanitizer

- Protect yourself and protect others

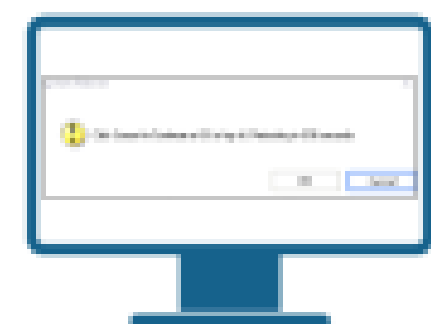

Join a Virtual Meeting/Zoom Session

- Make sure the Kiosk's webcam is popped up
- Start on the Kiosk Homepage
- Click on **"Start Here"**
- Click on **"Join a Virtual Meeting or Court Hearing"**
- Click on application
- Enter your Meeting ID and Password

Stay Logged On

- If you don't type or use the mouse for 20 minutes, the Kiosk will display a popup
- Click **"Cancel"** to continue using the Kiosk

Change the Volume

- Click the Kiosk Desktop button
- Click the Volume Control button
- Move the slider to change the volume

End Your Session

- Do not turn the Kiosk off with the power button
- Click the Kiosk Desktop button
- Click the End Session button

After your session is ended, your activity will be cleared to protect your privacy

Help and Support

- Need more information or help with other topics? Visit our support site by clicking the **"How to Use This Kiosk"** button on the bottom of the Kiosk Homepage
