

Shrimp Boil Ticket Distribution

Sponsors will receive their sponsorship tickets by email.

This year, sponsorship tickets are issued as bulk tickets, meaning one QR code represents the full number of admissions included in the sponsorship bundle. For example, a 20-ticket bundle will have one QR code representing 20 admissions.

Sharing the QR Code

- Sponsors may forward the email or share the QR code by PDF, screenshot, or printed copy.
- This single QR code can be shared with multiple guests for admission.

Redemption at Registration

Guests can present the QR code on their phone, as a screenshot, from the PDF, or as a printed copy. The registration team will scan the QR code, redeeming the admissions from the sponsor's total allocation as guests check in.
