

## Product Description

A comprehensive Freshman Seminar curriculum designed to ensure every 9th-grade student moves through the high school experience with clarity, confidence, and a strong sense of purpose.

Developed through real-world implementation and continuous refinement, this curriculum builds on existing school practices by providing a clear, intentional structure for helping students navigate high school systems, expectations, and opportunities.

## Design Principles

- Built for real classrooms and real constraints
- Flexible across scheduling models
- Aligned to focused outcomes for career academies and/or pathways
- Emphasizes student ownership and long-term readiness

---

## What's Included

- Complete Freshman Seminar curriculum (weekly + block versions)
- Year-long scope and sequence
- Ready-to-teach PowerPoint lessons for weekly version
- Ready-to-teach lesson plans for block versions
- Student-facing tools and reflections
- Implementation and customization support

## Why Freshman Seminar Matters

- 9th grade is the most critical year for long-term success
- Early habits, identity, and goal clarity predict persistence and graduation
- Students need explicit instruction—not assumptions—on how to navigate high school

## What Makes This Product Different

- Designed specifically for academy-based and/or career-focused high schools
- Includes multiple schedule models in one purchase
- Balances academic skills, career exploration, and belonging
- Practical, field-tested, and adaptable to local context
- Flexible enough to meet the needs of diverse schools and schedules
- No annual fees, site licenses or per student fees
