

## Frequently Asked Questions

### **Who is this curriculum designed for?**

This curriculum is designed for all 9th-grade students and is ideal for schools implementing Freshman Seminar, advisory, academy-aligned or pathway-aligned courses.

### **Does it work with different schedules?**

Yes. Both a weekly and block/A–B version are included in the purchase.

### **Is this a scripted program?**

No. Lessons provide guidance and structure while allowing educators to adapt delivery to their students and context.

### **Can districts customize the content?**

Yes. All materials are editable and designed for localization.

### **How much preparation is required?**

Minimal. Lessons are ready-to-teach with clear objectives, materials lists, and facilitation notes.

### **How is student growth measured?**

Through reflections, goal-setting artifacts, and portfolio-based evidence rather than traditional testing.

### **Does this replace counseling or advisory services?**

No. It complements existing supports by providing structured instructional time focused on readiness and ownership.

### **Is professional learning included?**

Implementation guidance is included. Optional training and coaching can be added as needed.
