SEE YOU IN
NASHVILLE!

NashvilleHub.org/events

***Building Systems for Student Success**

- Understand the major internal school systems within the academy model
- Recognize the role of external governance structures in supporting the model
- Identify connections between systems and student success

***Introduction to Distributive Leadership**

- Learn the basic concepts of a distributive leadership model
- Identify some early steps to take toward developing a distributive leadership culture

***Instruction in the Academy Model**

- Understand what teaching through the lens is NOT
- Uncover the three phases of teaching through the lens

***Freshman Academy/Freshman Seminar**

- Learn the basics of developing and implementing Freshman Academy
- Explore Freshman Seminar content and formats

***School Site Visit**

- Spend time in an Academies of Nashville school
- Hear from school leaders, educators and partners
- Interact with student ambassadors

***Community Engagement**

- Explore the ways in which the community engages in the academy model
- Consider the steps you need to take to begin engaging the community

***Strategic Support**

- Understand the convener role
- Explore the impact of conflict among stakeholders and leadership turnover

***Business and School Partnerships**

- Understand the ways in which businesses and others can partner with schools
- Explore what a healthy school partnership looks like
