

EVENTS

Comprehensive event coverage with both professional videographers and photographers. From corporate gatherings to live performances, we capture energy, detail, and story in real time.

Pre-Event Planning

- Coverage strategy & shot planning
- Run-of-show coordination
- Location walkthrough & lighting assessment

Production

- Dedicated videographers & photographers
- Multi-camera video coverage
- Candid & posed photography
- Gimbal stabilization systems
- Professional audio capture for speeches & panels

On-Site Capabilities

- Live event coverage & stage capture
- Aerial drone (where permitted)
- Executive interviews & testimonials
- Behind-the-scenes documentation

Post-Production

- Event highlight films
- Full-length documentation edits

- Professional photo retouching & color grading
- Social media recap edits

Delivery Formats

- 4K ProRes video masters
- H.264 / H.265 web exports
- High-resolution edited photo galleries
- Platform-ready social versions
