EVENING MOOD

SMOOI

AT THE TABLE

Our place, where *anything goes and nothing has to.*

The place you pop into on a whim for a glass of wine, a quick bite or a full dinner. Where you breeze in for that one drink, or stay until the music stops.

From lunch, brunch and drinks to dinner and the after-party. At the bar or simply at a table.

For the whole plan, or no plan at all. From nothing you must to all you can. Sit back, relax, take a sip and... aaaaaah! Exactly that.

Cheers to another great evening!

HI THERE, ISN'T THIS THE PERFECT MOMENT TO SAVOR LIFE?

Up for a proper feast?

Go for our dishes to share (and kick off with something tasty from our starters). To help you along a little: we'd choose 3 dishes per person and a little dessert afterwards. How you go about it is entirely up to you. In 2 courses, in 3 courses, in 1 course.
Anything goes. Nothing has to!

Up for 'just' à la carte?

Then check out our main courses, the 'plates' – they're simply delicious all to yourself. And pick a starter from the dishes to share.

Up for something small?

Then pick one or two dishes from our sharing menu, just for you.

Up for something else?

Give us a shout. We're happy to help! Who knows, you might have the best idea of the day.
