Describe your community service:

Be specific. Example: "I stocked canned goods at the Caritas food pantry" NOT simply, "Caritas"

How did your service benefit the community?

All service must be voluntary, without pay, personal gain or the repayment of debt. The program specifically excludes court ordered community service. In addition, service performed for your MHS student organization, team or club is also excluded. Community Service must be performed outside of school hours and cannot be part of a class requirement, for-profit business, place of employment or part of your MHS student organization, team, or club. In addition, students will not receive Spirit of Midway credit for hours working for a private individual. Hours worked at concession stands for an organization you are part of DO NOT count for this award. Please see page 1 of this packet for information on requirements. The Spirit of Midway committee reserves the right to disqualify any submitted hours that do not meet these stipulations or others stated in this application. Additional hours may be submitted with the application in the event that other submitted hours do not qualify. **If there is any doubt as to the validity of the community service hours, students are encouraged to email spiritofmidway@gmail.com for approval.** A response will be returned within 3 school days.

I have read & followed the community service stipulations given in the paragraph above.
