Aircraft Details

Remarks:

Beautiful vintage Comanche with excellent pedigree and numerous upgrades. This aircraft combines classic ramp appeal with strong mechanical fundamentals, featuring a Western Skyways Gold Seal engine overhaul, upgraded McCauley three-blade propeller, modern Garmin ADS-B transponder, and recent exhaust. The Comanche 250 is known for its impressive speed, efficiency, and range, a true traveling machine with solid performance and handling. Well cared for and nicely equipped, this one has the right blend of performance, modernization, and classic Piper craftsmanship.
