The Intentional Senior Leader

There is no issue more critical to any organization than leadership. The need for leaders to possess only cliché characteristics such as knowledge, skills, and abilities is no longer enough. This highly interactive, discussion-based training will outline the themes associated with leading with purpose, vision, and service. The course will introduce a variety of real-world examples to help participants create, improve, and self-evaluate their current leadership style. The course will provide participants with practical strategies that can be implemented immediately in any agency.

Course Topics

- Compare and contrast Transformational vs. Transactional leadership
- Learn to harness the power of habit and intentionality
- Identify the 3 P's of Leadership: People, Purpose, and Passion
- Learn to lead yourself first so you can lead others
- Learn the art of organizational communication
