About NASOMH

The National Association of State Offices of Minority Health (NASOMH) is a 501(c)(3) organization dedicated to eliminating health disparities and achieving health equity for racial and ethnic minority communities. Our initiatives focus on prevention, health promotion, education, care delivery, research, and partnerships to ensure cultural competence in healthcare.

Our Vision

To provide leadership in transforming the health of racial and ethnic minority communities, tribal organizations, and nations.

Our Mission

To promote and protect the health of racial and ethnic minority communities, tribal organizations, and nations by preventing disease and injury and assuring optimal health and well-being.

Audience

- NASOMH members,
- State and local entities advancing minority health and health equity
- Health equity advocates
- Public health professionals
- Community Health Workers (CHWs)
- Individuals and Organizations aligned with our mission & vision

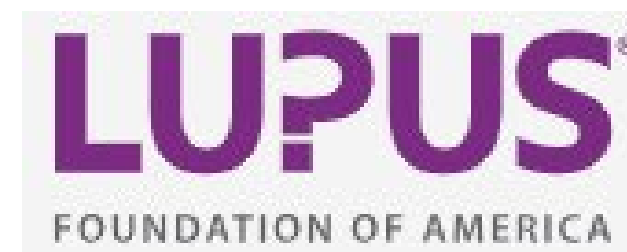

Nationwide network collaborating with communities and partners to advance health equity, eliminate health disparities, and ensure fair access to opportunities that support health and well-being.

Why Sponsor NASOMH?

- **Enhance Brand Visibility** Connect with an audience dedicated to health equity and minority health who can promote and support your brand, especially in hard-to-reach communities.
- **Demonstrate Corporate Social Responsibility** Align with efforts to eliminate health disparities and promote equitable healthcare.
- **Engage with Key Stakeholders** Network with health professionals, policymakers, and community leaders who can amplify your mission.
- **Support Community Empowerment** Contribute to initiatives empowering racial and ethnic communities to thrive.
