This publication is a heartfelt tribute to the numerous Filipino families whose lives have intertwined with ours through the collaborative projects of JNF.

The warmth of our partnerships is the purpose and joy of our service.
May the abundant love of Christ continue to illuminate your homes for the years ahead.

Words of Inspiration

Be vessels through which God's blessings flow. To multiply His goodness, we must embrace a holistic vision—one that uplifts lives and strengthens communities. Every Filipino deserves to live in a home that is strongly rooted, comfortable, and secure. Joy~Nostalg Foundation is committed to excellence, ensuring the seamless implementation of programs that create lasting impact.

Sustainability is a shared pursuit, requiring each of us to do our part with dedication and purpose. By uniting institutions and organizations with a common goal, we can transform lives and make homeful and sustainable communities a reality.

Let us be stewards of hope, channels of grace, and architects of a brighter future—one where every Filipino thrives with dignity, joy, and resilience.

Mr. Jacinto C. Ng, Jr.

**Chairman of the Board
Joy-Nostalg Foundation**

JOY~NOSTALG
FOUNDATION

Tagumpay na Nagniningning

Our Vision **BUILDING HOMEFUL COMMUNITIES**

All Filipinos, regardless of social and financial stature, are strongly rooted (Matatag), are living comfortably (Maginghawa), and are secure (Panatag) in homeful and sustainable communities.

Our Mission **EMPOWERING FILIPINOS**

To empower all Filipinos to live transformed lives in homeful and sustainable communities where households are strongly rooted (Matatag), are living comfortably (Maginghawa), and are secure (Panatag).

Our Values **WHAT WE STAND FOR**

CHRISTUDE: Commitment, Happiness, Responsibility, Integrity, Simplicity, Tenacity, Unity, Dynamism, Excellence.

At Home with Family

At the core of Joy~Nostalg Foundation (JNF) is a family of dedicated individuals united by one purpose: to empower Filipino families and communities towards lives that are Matatag, Maginhawa, and Panatag. Every member of JNF demonstrated not only excellence in their craft but also a remarkable spirit of collaboration, willingly wearing many hats at the service of the greater good.

Guided by a heart for service, JNF continues to operate through its five key Institutes—the Home Development Institute, Community Development Institute, Nation Building Institute, Knowledge Innovations Institute, and Spiritual Development Ministry. Each serves as a vital pillar in empowering individuals, strengthening families, and nurturing communities.

Together, these Institutes embody the dynamism of JNF: moving with purpose, adapting to change, and creating innovative ways to uplift lives. Their combined efforts build homeful and sustainable communities where every Filipino can truly thrive. With unity, adaptability, and dedication, the family of JNF grows stronger—transforming lives today and shaping a brighter tomorrow for generations to come.

A Year That Was

2025 was a transformative year for Joy~Nostalg Foundation (JNF), marking a strategic shift from foundational organizing to achieving scale and evidence-based impact. Guided by our Homefulness framework, every initiative was designed to ensure every Filipino household is strongly rooted (Matatag), comfortable (Maginhawa), and secure (Panatag).

The year was defined by high-level institutional recognition, solidifying JNF's position as a regional leader in social development. We were honored to receive the Social Empowerment Award at the Asia Responsible Enterprise Awards 2025 in Bangkok, affirming our innovative approach to socialized housing. Locally, our commitment to community safety was recognized as a finalist for the League of Corporate Foundations' Guild Awards for Outstanding CSR Project in Disaster Resilience. These accolades, coupled with the renewal of our PCNC accreditation for five years, highlight our dedication to organizational excellence and transparency.

Throughout the year, our programs reached unprecedented scale. The Home Empowerment Center expanded its digital reach to over 120,000 users via hopeful.ph, while the Family Development Center empowered 30 local facilitators to lead family formation directly in their neighborhoods. A landmark achievement in community governance was the formalization of 25 SEC-registered Civil Society Organizations (CSOs), establishing a permanent foundation for self-governance. Alongside this, our Community Organizing Center successfully operationalized five clustered cooperatives, moving them forward towards operational maturity. Finally, our Joy Kalingap relief response extended a hand of solidarity in five provinces, ensuring that even in times of crisis, families remain seen and supported.

Reflecting on 2025, the year was filled with milestones that proved our model is both impactful and replicable. Inspired by this progress, JNF remains dedicated to providing an "open-source" blueprint for the sector, eager to lead the transition of social housing into thriving, economically resilient, and secure communities for all.

MY DEAR JNF FAMILY,

Praise be to God! I'm truly in awe as I look back on everything you've done this year. No achievement is too small—each one is deeply appreciated by our beneficiaries, partners, and many Filipinos. I'm sure it has even brought a smile to Jesus' heart.

I want to personally thank each of you who have given your time, your energy, and your resilience—weathering all kinds of challenges just to reach the families we serve. Year after year, I see more and more lives uplifted, and it fills me with hope and joy knowing that our work is making such a meaningful difference.

The tireless efforts of our five Institutes continue to inspire and uplift. Whether it's strengthening families, building community organizations, nurturing young leaders through immersion, or sharing God's love through spiritual programs—you are all truly on the frontlines of transformation. Your passion and hard work continue to breathe life into JNF's mission and inspire hope in the hearts of those we serve.

2025 has been a year of great progress and many victories. As we celebrate these, let's also look ahead with excitement and readiness to make 2026 even more fruitful, serving with passion and love in everything we do.

May God continue to bless and guide us as we journey together in service and love.

Mrs. Anita Ng

**Chair Emeritus
Joy-Nostalg Foundation**

CELEBRATING A YEAR OF IMPACT AND TRANSFORMATION WITH MY JNF FAMILY,

What a fantastic year for Joy~Nostalg Foundation!

Milestone after milestone, JNF has shown what it truly means to serve with passion and excellence. This year, we celebrated a remarkable achievement: our five-year accreditation renewal from the Philippine Council for NGO Certification (PCNC), which is the highest level of accreditation. This recognition affirms JNF's steadfast commitment to transparency, accountability, and dedication to its mission.

Opportunities to make a difference kept coming, and JNF embraced each one with energy and heart. I've heard inspiring stories from our beneficiaries—families who have grown wiser in handling their finances, strengthened their relationships through our family programs, and built stronger communities through cooperatives and civil society organizations that are now ready to lead local initiatives for change. These stories remind us that our work goes far beyond programs; they are transformations that have a ripple effect through generations.

I extend my deepest gratitude to each member of the JNF family for going above and beyond, and to our partners for walking alongside us in this journey. Your collaboration and faith in what we do have made every initiative more meaningful and impactful.

As we step into 2026, may we continue to spark hope in the hearts of more Filipinos—our beneficiaries, our partners, and even those simply inspired by what we do. May our collective efforts encourage others to take part in creating a better world, as we continue to use our God-given gifts to serve with love, integrity, and compassion.

Mr. Jacinto C. Ng, Jr.

**Chairman of the Board
Joy-Nostalg Foundation**

DEAR JNF STAFF AND PARTNERS,

As we journey together with Joy~Nostalg Foundation, I am amazed at how our productivity continues to grow—not just in quantity, but in the quality and impact of the work we do. Far from slowing us down, this momentum has fueled our passion to excel and serve even better.

Each of our Institutes has made a meaningful impact in addressing the challenges Filipino families face. The Home Development Institute expanded its HOME program, helping families boost their income through livelihood and digital work opportunities. At the same time, it continued to support stronger relationships between parents and teenagers.

Meanwhile, the Community Development and Nation Building Institutes expanded their efforts by registering civil society organizations and establishing cooperatives, strengthening communities to become more strongly rooted, comfortable, and secure.

Thank you to all our stakeholders, especially our partners who have stood beside us and championed our mission with joy and dedication. Every effort you contribute is invaluable, and I pray it continues to multiply, growing into an unstoppable force for good.

Let us remember to stay encouraged even when progress feels slow. Speak more about the meaningful work we do. Inspire others with our story and commitment. We've achieved so much in 2025, and may these accomplishments propel us forward into 2026 with renewed hope and optimism, ready to embrace the challenges and opportunities ahead.

Mr. John Burkentley Ong

**President
Joy-Nostalg Foundation**

MY BELOVED JNF FAMILY,

Living out our mission to empower Filipinos to live transformed lives in homeful and sustainable communities remains at the heart of everything we do. I am grateful to witness how deeply each of you have embraced this calling. We are united not only in our vision, but also in our daily efforts to help families experience a life that is matatag, maginhawa, at panatag. The milestones we achieved were made possible by your commitment to magis, the desire to do more for others, and to do it with love and excellence.

Although JNF is still a young organization, the positive impact we have created in our communities reflects the dedication and heart of our team. Over the past year, we received the highest level of accreditation from PCNC, renewed our DSWD license to operate, earned recognition from the League of Corporate Foundations, and were honored at the AREA Awards. These recognitions affirm that we are on the right path, guided by purpose and compassion.

Each of our programs carries a meaningful story. More than the achievements themselves, I want to acknowledge the moments that made them possible: the careful planning, the thoughtful decisions, the long hours, and even the mistakes that helped us grow. Sustainability, leadership, and continuous learning have shaped our journey, and I am proud of how every member of JNF brings these values to life.

As we move forward to 2026, may we continue to nurture the spirit that fuels our mission. Let us keep building communities where families thrive, dreams take root, and hope becomes a lived reality.

Mr. Terence Christopher Ang

**Chief Executive Officer

- Full transition of Home Empowerment Learning Program (HELP) seminar to online facilitation through synchronous modalities.

2022

- Officially granted Donee Institution status by the Bureau of Internal Revenue (BIR), whereby donations received are entitled to the exemption of donor's taxes.
- Renewal of DSWD License to Operate, as an Auxiliary Social Welfare Development Agency.
- Secured the second round of PCNC accreditation.
- Granted the Tax Exemption status by BIR.
- Partnered with our Lady of Lourdes Parish in Imus, Cavite, to provide scholarship grants to 17 scholars of the parish.

2022

(2022) Partnered with our Lady of Lourdes Parish in Imus, Cavite, to provide scholarship grants to 17 scholars of the parish.

- Organized MiniMuni as a social media campaign focused on nation-building, encouraging Filipinos to reflect on the current situation of the country, and taking active steps to be part of the solution, by voting in the elections and participating in community efforts.
- Partnered with Philippine Business for Education, Inc. (PBE), Simbahang Lingkod ng Bayan (SLB), and John J. Carroll Institute on Church and Social Issues (ICSI) on the creation of online and community-based content for nation-building efforts.
- Launched hopeful.ph as an asynchronous learning platform for Filipinos; developed the Homeful Tool, which is an online tool to help users compute their net disposable income as a means to enhance their financial literacy.
- Deployed family and community formation modules to beneficiary communities, particularly the Parent Effectiveness Seminars, in partnership with MSWDO-Naic.
- Granted the Donee Status by BIR.

2023

- Established partnership with United States Agency for International Development (USAID) through its YouthWorks PH program on providing upskilling and employment opportunities to beneficiaries, particularly young people and out of school youth.
- Established partnership with the Asian Institute Management (AIM) on the use of artificial intelligence and machine learning towards identifying enabling and mitigating factors to sustainably maintaining homefulness, so as to develop or improve appropriate interventions to better serve beneficiaries.
- Established partnership with Positive Youth Development Network (PYDN) on capacity building for the youth of beneficiary communities, particularly in pursuing community interventions based on the practice of human-centered design.
- Established partnership with Fire Emergency Paramedic Assistance Group (FEPAG) towards capacitating community beneficiaries in emergency response.
- Established partnership with the Parenting for Lifelong Health Philippines (PLH PH) of the Psychology Department of Ateneo de Manila University (AdMU) in scaling up the Masayang Pamilya para sa Batang Pilipino Program (MaPa) for community beneficiaries, particularly children and teenagers.
- Developed and launched the Basic Family Formation (BFF) program that cultivates a sense of rootedness (matatag) by equipping families with foundational knowledge to build strong, stable, and resilient households.
- Partnered with Palm Concepcion Power Corporation (PCPC) for the Bright Scholarship Program deployed in Concepcion, Iloilo to provide scholarships to well-deserving students who are in need of financial assistance.
- Established partnership with Christian Life Community in the Philippines (CLCP) in deploying formation sessions among the youth of beneficiary communities.

(2023) Established partnership with (PLH PH).

- Partnered with Pushpin Visuals for module redevelopment of the Home Empowerment Learning Program (HELP) as asynchronous content in hopeful.ph.
- Established baseline data on leaders and organizations within the beneficiary communities through the Randomized Leadership Assessment (RLA), Participatory Community Assessment (PCA), and Training Needs Assessment (TNA).
- Revived immersion activities with Xavier School after the COVID pandemic, held over two Saturdays, whereby residents of beneficiary communities were host families to the students of Xavier School.
- Became an official member of the Association of Foundations (AF).

(2023) Expanded partnership with the Institute on Church and Social Issues (ICSI).

- Expanded partnership with the Institute on Church and Social Issues (ICSI) in designing and deploying modules promoting Catholic Social Teaching with the youth of the local parish and beneficiary communities.
- Established partnership with the Mother of Life Center (MOLC) towards faith and catechetical formation in the beneficiary communities.
- Established partnership with the Sta. Candida Maria de Jesus Parish and its parish youth organization for the formation of their young members.
- Enabled coaching sessions for cooperatives in beneficiary communities through the Most Holy Rosary Cooperative and Go Negosyo for business development and other capacity building related to establishing and sustaining a cooperative.

2024

- Established a Partnership with Nephila Web Technology Inc. This is to improve the functionality of hopeful.ph, turning it into an LMS-ready online learning platform.
- Completed the Masayang Pamilya Teens Program that helps parents and teens build stronger relationships through evidence-based, hands-on activities. 60 parent-teen pairs joined, guided by staff and community facilitators.
- Completed of Emergency and Disaster Preparedness Training-Workshop with FEPAG. 90 HOA officers, health workers, and volunteers from five Pasinaya communities in Naic completed a five-day workshop on emergency response, first aid, and life support skills.
- Completed Baseline in nine socialized housing communities.
- Renewed partnership with PCPC for the BRIGHT Scholarship Program, ensuring continued support for scholars.
- Established a new women empowerment partnership with local government units in Bulacan and Cavite, fostering capacity-building and economic participation opportunities.

(2024) Established a Partnership with Nephila Web Technology Inc.

- Renewed partnership with CLCP through the “Ang Kuya” Recollection, based on Fr. Johnny Go, SJ’s work, held in two partner parishes in Naic, Cavite and Sta. Maria, Bulacan to strengthen faith formation in the communities.
- Became an active member and Vice President - External of the DSWD – ABSNET (Area-Based Standards Network) NCR East Cluster, strengthening its commitment to social welfare and development through collaboration with government and civil society organizations.
- Expanded networks and strengthened collaborative efforts through the League of Corporate Foundations (LCF) and the Association of Foundations (AF) to advance sustainable development and promote inclusive growth.
- Resumed the three-day Xavier School–Joy~Nostalg Panunuluyan Immersion Program in Pasinaya Homes Phases 1 and 2, Sta. Maria, Bulacan. About 300 Grade 11 students and teachers joined.
- Conducted the first Project-Based Learning (PBL) Experience, where the same students revisited the communities to apply their lessons and share recommendations for improvement.

2025

- Awarded a 5-year renewal from the Philippine Council for NGO Certification (PCNC)—the highest level of accreditation granted by the Council.
- Earned a finalist spot at the 2025 LCF Guild Awards for the Community-Based Emergency Preparedness Training under Outstanding CSR Project in Disaster Resilience.
- Joy~Nostalg received the Social Empowerment Award at the Asia Responsible Enterprise Awards (AREA) 2025 in Bangkok, Thailand through the initiatives of Joy~Nostalg Foundation.
- Renewed JNF's License to Operate from the Department of Social Welfare and Development (DSWD) valid for 3 years.
- Renewed its Certificate of Tax Exemption from the Bureau of Internal Revenue, valid for 3 years.
- Expanded its community-led Basic Family Formation (BFF) program by empowering 30 trained facilitators to lead sessions directly within neighborhood spaces.
- Extended the Masayang Pamilya para sa Batang Pilipino (MaPa) Teens Program to Pasinaya Homes Phase 2, enhancing parent–teen communication and engagement across more families.

(2025) Awarded a 5-year renewal from the Philippine Council for NGO Certification (PCNC).

- Piloted the Home Ownership Made Easy (HOME) program, successfully enabling homeowners to thrive through expanded access to financial literacy, income opportunities, and essential services in collaboration with JCI TechMoms and Cebuana Lhuillier Foundation Inc.
- Established the Home Empowerment Champions to honor and mobilize community volunteers who dedicate their time to supporting fellow homeowners' growth.
- Forged a strategic partnership with DSWD Regional Offices III and IV-A to support the Pantawid Pamilyang Pilipino Program (4Ps) through comprehensive needs assessments and targeted interventions.
- Collaborated with the MaPa Organization to develop the MaPa Kids Asynchronous Module, providing a vital supplemental resource for children and parents.
- Partnered with the Polytechnic University of the Philippines (PUP) Extension and Management Office to conduct community analyses, ensuring program implementations are data-driven and responsive to priority needs.

- Established five Clustered Cooperatives in Bulacan and Cavite, with members from 26 community-beneficiaries from Sta. Maria, Bulacan and Naic, Cavite.
- Established 19 Community Foundations (Civil Society Organizations) – 8 in Bulacan and 11 in Cavite.
- Became an active NGO partner of the Naic Municipal Cooperative Development Council and the Naic Municipal Development Council.
- Joined the Institutional Development Committee of Sta. Maria's Local Development Council.
- Convened community leaders in Sta. Maria, Bulacan for a two-batch Leadership Summit.
- Joined the People Management Association of the Philippines (PMAP), strengthening its commitment to excellence in people management and HR best practices.
- Continued the three-day Xavier School–Joy~Nostalg Immersion Program in Pasinaya Homes Phases 1, 2, and 4, Sta. Maria, Bulacan. Over 300 Grade 11 students and teachers lived with families from these communities.
- Renewed partnership with Mother of Life Center for the Parish Support Program at Sta. Candida Maria de Jesus Parish in Naic, Cavite, strengthening parish formation and community engagement.

(2025) Renewed JNF's License to Operate from the Department of Social Welfare and Development (DSWD) valid for 3 years.

(2025) Piloted the Home Ownership Made Easy (HOME) program.

KEY ACCOMPLISHMENTS FOR 2025

CORPORATE GOVERNANCE & ORGANIZATIONAL EXCELLENCE

- Awarded a five-year accreditation renewal from the Philippine Council for NGO Certification (PCNC), achieving the highest level of accreditation and reinforcing Joy~Nostalg Foundation's (JNF) commitment to transparency and accountability.
- Received the Social Empowerment Award at the Asia Responsible Enterprise Awards (AREA) 2025 in Bangkok, affirming JNF's position as a regional leader in socialized housing innovation.
- Recognized as a finalist at the 2025 League of Corporate Foundations (LCF) Guild Awards for the Community-Based Emergency Preparedness Training, demonstrating the Foundation's excellence in disaster resilience.
- Secured essential regulatory renewals, including the DSWD License to Operate and BIR Certificate of Tax Exemption, both valid for a three-year term.

PROGRAM EXPANSION & ECONOMIC RESILIENCE

- Operationalized five clustered cooperatives across Bulacan and Cavite, transitioning from foundational organizing to active business operations in essential commodity distribution.
- Achieved significant financial milestones with the Pasinaya-Pagsinag Neighborhood Enterprise Marketing Cooperative (PPNEMC), surpassing P120,000 in combined profits and assets.
- Secured capital assistance from the Provincial Government of Cavite, which granted P50,000 each to two clustered cooperatives—PPNEMC and C4—in recognition of their operational viability and self-management.
- Piloted the Home Ownership Made Easy (HOME) program, leveraging partnerships with JCI TechMoms and Cebuana Lhuillier Foundation Inc. to integrate financial literacy and income-generating opportunities.
- Scaled the digital reach of hopeful.ph, now serving over 120,000 registered users as a centralized hub for housing literacy.

COMMUNITY EMPOWERMENT & GOVERNANCE

- Established the Home Empowerment Champions, a local leadership body dedicated to peer-to-peer advocacy and supporting fellow homeowners.
- Formalized 25 Civil Society Organizations (CSOs) through SEC and BIR registration, establishing a professional standard for community-led advocacy and legal compliance.
- Completed the Spiritual Development Baseline Project, surveying 2,545 households to provide data for contextualized faith-based interventions through the Pananahan Program.
- Facilitated the Panunuluyan Immersion Program, connecting 317 students and faculty with 154 foster families across three community phases.
- Sustained long-term community impact through the Lingap Kapwa project, where 2023 immersion participants returned to turn over solar street lights and medical equipment to their foster communities.

STRATEGIC PARTNERSHIPS & INSTITUTIONAL ADVOCACY

- Forged a strategic partnership with DSWD Regional Offices III and IV-A to support the Pantawid Pamilyang Pilipino Program (4Ps) through data-driven assessments and targeted community interventions.
- Collaborated with the Polytechnic University of the Philippines (PUP) to conduct a comprehensive community analysis, ensuring all extension programs are evidence-based.
- Maintained active membership and participation in the Municipal Cooperative Development Council of Naic, ensuring community-led enterprises are integrated into the local government's economic agenda.
- Partnered with the MaPa Organization to pioneer the MaPa Kids Asynchronous Module, expanding family development resources to a younger demographic.
- Managed the Community Assurance Support (CAS) Fund provided by Jin Navitas Solaris Inc. (JNSI) to the community of Pasinaya Homes Prime Central (PHPC), directing resources toward community facility improvements, capability-building training, and other development initiatives for PHPC.

TOGETHER AT *Home*

OUR PARTNERS:

- Municipal Cooperative Development Office of Sta. Maria, Bulacan
- Naic Municipal Cooperative Development Office
- Naic Municipal Cooperative Development Council
- Rapid Response Rangers Inc.
- Combining Original Aspirations that Leads and Exchange Social Culture Essence Inc.
- Pasinaya North Safety and Security

Recognition & Accolades

Our work to **HOME THE HOMELESS, POWER THE POWERLESS, AND LOVE THE LOVELEAST** has been recognized both locally and internationally.

FINALIST, LCF GUILD AWARDS 2025

Joy~Nostalg Foundation earned a finalist spot for its Community-Based Emergency Preparedness Training under the category of Outstanding CSR Project in Disaster Resilience.

SOCIAL EMPOWERMENT AWARD, ASIA RESPONSIBLE ENTERPRISE AWARDS (AREA) 2025

Joy~Nostalg received this prestigious award in Bangkok, Thailand, recognizing the Foundation's impactful social empowerment initiatives.

NETWORKS OF HOPE: JNF'S GROWING ENGAGEMENTS

League of Corporate Foundations (LCF)

Beyond awards and recognitions, JNF remains a dynamic member of the LCF community. During the **LCF CSR Expo**, we showcased our Homefulness initiatives, contributing to the collective knowledge of corporate and NGO partners and advocating for sustainable, community-driven development.

Philippine Council for NGO Certification (PCNC)

Following our prestigious five-year accreditation renewal, JNF continues to uphold and promote the highest standards of **transparency, accountability, and stewardship**.

This certification serves as a hallmark of our commitment to organizational excellence within the Philippine non-profit sector.

Department of Social Welfare and Development (DSWD)

We have solidified strategic coordination with **DSWD Regional Offices (III and IV-A)** to provide critical post-intervention support for **4Ps beneficiaries**. Our partnership focuses on guiding families as they “graduate” from the government program, utilizing JNF’s community-based initiatives to ensure they maintain their progress and transition into a life of permanent self-reliance.

Academic-Community Research Partnership

Our collaboration with the **Polytechnic University of the Philippines (PUP)** focuses on conducting comprehensive community assessments. These evaluations serve as the foundation for PUP to identify and deploy targeted Extension Programs, ensuring that academic resources and expertise are precisely matched to the actual needs of our community members.

JNF RESULTS

FRAMEWORK

To empower target Filipinos to live transformed lives in homeful and sustainable social housing communities where households are strongly rooted (**Matatag**), are living comfortably (**Maginhawa**), and are secure (**Panatag**).

OUR OUTCOMES FOR SOCIAL DEVELOPMENT

Joy~Nostalg Foundation (JNF) continues to evolve its results-based approach, ensuring that every project leads to measurable, long-term impact. Rather than focusing on individual activities, we align our efforts with five strategic outcomes to ensure that the families we serve become **truly empowered, resilient, and thriving**. Our commitment remains focused on creating a future where every Filipino household is **strongly rooted, comfortable, and secure**.

OUTCOME 1: Target households are empowered to live in homeful and sustainable social housing communities

Joy~Nostalg Foundation's (JNF) commitment to housing and financial education is now centralized under the established **Home Empowerment Center (HEC)**, which manages our two signature programs: the Home Empowerment Learning Program (HELP) and the Home Ownership Made Easy (HOME) Program.

The **Home Empowerment Learning Program (HELP)**, a foundational module available on our online learning platform hopeful.ph that discusses financial literacy, housing literacy, and Filipino values, continues to grow its digital reach. In 2025, HELP has a **registered user base of 20,898**. To sustain this digital growth, HEC successfully completed the update and customization preparation of hopeful.ph and enhanced internal capacity through Moodle Training for program teams.

In 2025, HEC prioritized deep, on-the-ground engagement by piloting the **HOME Program** in two key areas: **Pasinaya Homes Phase 1, 2, 3, and 4 (Bulacan)** and **Pasinaya Homes Prime Central (Pasinaraw-Cavite)**. This pilot program focused on establishing community self-sufficiency, exemplified by the key accomplishment of **Establishing Home Empowerment Champions**—local leaders trained to reinforce learning and advocacy within their neighborhoods.

Home Ownership Made Easy (VA Workshop Orientation)

The HOME Program delivered targeted interventions across three vital components, engaging **1,694 participants**.

1. **Maximizing Government Services (MGS)** focused on providing practical guidance on navigating housing rights and ownership, centered around the Pasalo Survey and Discussions. This component reached **872 participants** across both the Bulacan and Cavite communities.
2. **Access to Additional Income (AAI)** was key to equipping homeowners and their families with income-generating skills through the Virtual Assistant Workshop. AAI served **258 participants** (40 in face-to-face sessions and 218 online).
3. **Access to Financial Services (AFS)** focused on building financial resilience through community events. This included the KaSangGa Youth Camp (with 35 participants) and the large-scale Home Empowerment Fair (drawing 529 attendees), totaling **564 participants** served through AFS.

To scale this impact, HEC established strategic lines of communication with **Cebuanna Lhullier Foundation Inc.**, **JCI Philippines-TechMoms**, **YGoal**, and **Edukasyon.ph**. These emerging partnerships are moving toward formal Memoranda of Understanding, ensuring that JNF's model of financial and housing literacy continues to expand nationwide.

OUTCOME 2 : Target households are strongly rooted (Matatag)

Community Immersion (Xavier Lingap Kapwa Project)

Capacity Building on Facilitation

The **Family Development Center (FDC)** advances Joy~Nostalg Foundation's (JNF) mission by strengthening the Filipino family as the core unit of a resilient community. In 2025, the FDC implemented a new strategy in program delivery, empowering community volunteers to lead the advocacy within their own neighborhoods. This transition was supported by the strategic enhancement of core modules and the provision of intensive capacity building to ensure families possess the tools for positive parenting and emotional resilience. Central to this effort were the **Basic Family Formation (BFF)** program, which promotes transformative household relationships, and the **Masayang Pamilya para sa Batang Pilipino (MaPa) Teens** program, which equips parents and teenagers with tools for effective communication and emotional management.

FDC launched the Community Leadership and Facilitation Training Program, equipping volunteers with skills in public speaking and event management. Training of Trainers (ToT) and refreshers for local facilitators on the BFF and MaPa Teens modules was also conducted, ensuring the community is a leader in its own growth.

These initiatives reached **165 participants** across Pasinaya Phase 2 and 4 (Bulacan), Pasinaya Homes West, and Pasinaya Homes Prime Central (Cavite). The impact was amplified by significant institutional milestones, including the renewal of our agreement with the MaPa Organization and new partnerships with the Department of Social Welfare and Development (Regions III and IV-A), Polytechnic University of the Philippines, and a MaPa Kids Consultation Workshop in Pasinaya Homes North Cavite.

The **Community Immersion Center (CIC)** further strengthens the social fabric by fostering deep connections between residents and youth. Expansion efforts led the CIC to reach Pasinaya Homes Phases 1, 2, and 4 in Bulacan, facilitating a "solutions environment" for mutual exchange. The cornerstone of this initiative is the Panunuluyan program, a collaborative immersion with Xavier School. This year, **317 students and 35 faculty members lived with 154 foster families**, gaining firsthand appreciation for the resilience of socialized housing communities. This was complemented by Project-Based Learning (PBL) Exploration, where students researched community dynamics through direct dialogue with residents.

The lasting impact of these relationships was evidenced by the Lingap Kapwa project. Returning to their 2023 foster community in Pasinaya Homes Phase 1, Xavier School students turned over 18 solar street lights, nebulizers, and portable oxygen concentrators to the Homeowners Association. Supported by the Santa Maria Local Government Unit and Municipal Disaster Risk Reduction and Management Office, these efforts highlight the strength of partnerships between the school, the foundation, and local government. By increasing volunteer foster families and adding Pasinaya Homes Phase 4 as a partner community, the CIC ensures households remain anchored in a supportive network.

Moreover, the success of this year's Panunuluyan Immersion was bolstered by the establishment of Immersion Community Partners in the three communities, whose role is crucial in campaigning for volunteer foster families. In 2025, the CIC established six ICPs, with two in each community.

Family Advent Recollection - Bulacan

Integrating faith into this journey of rootedness, JNF's **Spiritual Development Ministry (SDM)** advanced its mission through the Pananahan Program, a faith intervention and formation initiative grounded in JNF's matatag, maginhawa, and panatag vision and the Church's PCP II vision of renewal. A major milestone was the Spiritual Development Baseline Project, which surveyed **2,545 households—2,124 in Naic, Cavite, and 421 in Sta. Maria, Bulacan**. This research provides the data necessary to design contextualized faith-based interventions that respond to the unique spiritual needs of each community.

SDM also implemented formation programs engaging **800 individuals** across partner parishes. These included the Youth Conference 2025, titled "Christ is Alive! Called, Empowered, and Sent," and the Servant Leadership Recollection for church leaders. The year concluded with the Family-Advent Recollection, a reflective experience reaching both parents and youth to strengthen family intimacy and renew the home as a "domestic church." These efforts were made possible through partnerships with the Sta. Candida Maria de Jesus Parish and the Holy Family Parish, supported by the Mother of Life Center, building a solid foundation for long-term spiritual rootedness across our developments.

OUTCOME 3 : Target households are free from poverty (Maginghawa)

Cooperatives

Through the **Community Organizing Center**, Joy~Nostalg Foundation (JNF) pursues economic self-sufficiency by fostering cooperative-led enterprises that empower residents to manage their own resources. Throughout the year, the focus shifted from foundational organizing to active business operations and legal formalization. **Five clustered cooperatives** across Bulacan and Cavite successfully achieved full compliance, securing registrations with the Cooperative Development Authority, the Bureau of Internal Revenue, and their respective Local Government Units. These milestones, including the acquisition of business permits and tax exemption certificates, have established a professional and sustainable framework for community-owned commerce.

In Santa Maria, Bulacan, the Community of Pagsinaya Consumer Cooperative and the Pasinaya Homes Bulacan Marketing Cooperative officially launched their business operations, specializing in the distribution of essential commodities such as rice to their members. Simultaneously, in Naic, Cavite, the Greenfield Community Agriculture Cooperative (GCAC), the Pasinaya-Pagsinag Neighborhood Enterprise Marketing Cooperative (PPNEMC), and the Community Choice Consumer Cooperative (C4) expanded their reach across **18 community phases**. Aside from launching their own enterprises, these cooperatives prioritized capital buildup and membership growth through Membership Recruitment Caravans and Pre-Membership Education Seminars, requiring initial share capital to ensure residents have a direct stake in their collective economic success.

The effectiveness of these operations is best reflected in the financial performance of PPNEMC, which surpassed P120,000 in combined profits and assets through its own business activities. This demonstrated capacity for self-management earned the trust of the Provincial Government of Cavite, which provided P50,000 in cash assistance to both PPNEMC and C4 to further fuel their expansion. To sustain this momentum, JNF facilitated mandatory and supplemental training for over 150 leaders in governance and financial management. Moving beyond formal sessions, members participated in Lakbay-Aral benchmarking and National Cooperative Month activities. These activities have strengthened the cooperatives' mission identity, fostering a culture of "maginhawa" living rooted in shared prosperity.

The success of these cooperatives is anchored in strategic collaborations with the Municipal Cooperative Development Offices of Santa Maria and Naic, and the Cooperative Development Authority (Region IV-A). JNF also maintains active membership in the Municipal Cooperative Development Council of Naic, ensuring our communities are integrated into the local economic agenda. By establishing partnerships with seasoned organizations like Yakap at Halik Multi-purpose Cooperative, Café Amadeo Development Cooperative, Toclong 1 Multi-purpose Cooperative, Palangue Agrarian Reform Cooperative, and the Union of Enterprising Cooperatives (UNECO), our community enterprises have gained access to a vital network of mentorship and resources, positioning them as drivers of local economic resilience.

OUTCOME 4 : Target households are governed effectively, efficiently, and sustainably (Panatag)

The **Community Organizing Center (COC)** ensures that the foundations of community life are built upon legitimate, transparent, and resilient organizations and associations.

This year, the focus centered on forming organic community groups into formal organizations through large-scale legal registration. Across Bulacan and Cavite, Joy~Nostalg Foundation's COC assisted **25 Civil Society Organizations (CSOs)** in securing registration with the Securities and Exchange Commission (SEC), with 19 of these organizations successfully completing their Bureau of Internal Revenue (BIR) registration. This formation provides a valid legal identity for diverse groups, establishing a professional standard for community-led advocacy.

Capacity building served as the primary tool for ensuring these organizations remain sustainable and ethically led. Through the Community Leadership Summit and specialized BIR Tax Filing Training, leaders from Homeowners Associations, CSOs, and cooperatives in Bulacan were equipped with essential technical skills in basic accounting and tax compliances.

In Naic, Cavite, this was further specialized through Safety and Security Training, which provided three batches of stakeholders with the skills to manage risks and emergencies. These programs ensure that community leaders are not only legally recognized but are also technically capable of managing the administrative and safety requirements of their respective villages.

H0A Orientation Strengthens Partnership and Prepares Communities for 2026

Engagement and visibility were prioritized through cultural and social integration programs. CSOs from Pasinaya Homes took an active role in the Homepowerment Fair and shared their impact with students during immersion programs, demonstrating the value of organized community action. Social cohesion was further strengthened through Palarong Pinoy 2025, which utilized traditional Filipino games to build cultural pride and organizational unity. Additionally, the Health and Wellness Month initiatives promoted a holistic approach to community well-being, ensuring that the health of the organization is mirrored by the health of its individual members.

The year concluded with Year-End Thanksgiving and Culminating activities, which recognized the vital contributions of community volunteers and partners. By establishing formal partnerships with organizations such as the Association of Disaster and Emergency Preparedness Teams and various youth and sports clubs, COC has successfully integrated over **185 active participants** into a robust community organization network. These collective efforts have created a “panatag” environment—one where communities are governed by leaders who are legally compliant, technically proficient, and deeply committed to the sustainable programs for the whole community.

OUTCOME 5 :

The homefulness model is replicated by other social housing communities

Throughout this period, the Knowledge Innovations Institute (KII) successfully transitioned the Homefulness Model from a localized success story into a robust, evidence-based framework ready for national scaling. By shifting from theory to high-level advocacy, KII ensured that Joy~Nostalg Foundation’s integrated approach to social housing—an intentional blend of spiritual rootedness, economic self-sufficiency, and legal governance—can be seamlessly adapted by other developers and government entities.

To facilitate this widespread adoption, KII significantly enhanced our digital infrastructure through the strategic customization and update of hopeful.ph. With a registered user base now exceeding 120,000, the platform serves as the primary gateway for external communities to access JNF’s specialized modules on financial literacy, governance, and community resilience. By providing remote, high-quality access to these tools, JNF has effectively lowered the barrier for replication, allowing diverse stakeholders to implement these proven methodologies within their own housing developments.

By anchoring these efforts in rigorous research and digital innovation, JNF is laying the groundwork to integrate the Homefulness Model into broader national networks. Ultimately, JNF is committed to providing an “open-source” blueprint for the sector, making its systems and insights readily available to ensure that every social housing development has the roadmap to become a truly rooted, comfortable, and secure community.

Community Engagement Initiatives

Family and Youth Development

Basic Family Formation (BFF)

Masayang Pamilya Program

The **Family Development Center (FDC)** transitioned to a volunteer-led model, empowering 30 local facilitators to lead **Basic Family Formation (BFF)** and **MaPa Teens** sessions. These initiatives strengthen emotional resilience and parent-teen communication. Simultaneously, the **Spiritual Development Ministry (SDM)** engaged 800 participants through youth conferences and family recollections, reinforcing the home as a foundation of faith and values.

Community Leadership and Governance

Civil Society Organizations (CSOs)

The **Community Organizing Center (COC)** formalized **25 Civil Society Organizations (CSOs)** through SEC and BIR registration. By conducting **Leadership Summits** and **Safety Training**, the Foundation equipped local leaders with the technical skills to manage their neighborhoods. This is supported by the **Home Empowerment Champions**, a volunteer body dedicated to peer-to-peer advocacy and sustainable community living.

Economic Resilience and Cooperative Growth

Cooperatives

Five clustered cooperatives in Bulacan and Cavite successfully transitioned into active business operations, focusing on the distribution of essential commodities. Through **Recruitment Caravans** and **Lakbay-Aral** benchmarking, these community-led enterprises have increased their capital and membership, evolving into vital drivers of local economic resilience and shared prosperity.

Joy Kalingap Relief Response

Implemented with **Caritas Manila**, **Joy Kalingap** provides rapid humanitarian aid and spiritual solidarity. In late 2025, the mission reached flooded and high-need communities in **Bulacan, Rizal, Laguna, Pampanga, and Cavite**. By delivering relief through local parishes, the initiative combines material support with a message of hope, ensuring that vulnerable families feel seen, supported, and never forgotten.

STORIES FROM HOME

Jenilyn Quirez

HELP PARTICIPANT

Malaki po ang naitulong ng programa sa akin dahil mas naging malinaw po ang aking mga layunin at mas naging responsable ako sa aking mga desisyon. Natutunan ko po ang kahalagahan ng disiplina, tamang pagpaplano, at pagkakaroon ng positibong pananaw sa buhay. Inilalapat ko po ito araw-araw sa aking mga gawain, lalo na sa pagdedesisyon, pakikitungo sa kapwa, at pagharap sa mga pagsubok.

Pakiramdam ko po ay mas buo at mas handa akong harapin ang mga hamon ng buhay. Mayroon po akong kumpiyansa at kapanatagan dahil alam kong may mga kaalaman akong magagamit sa iba't ibang sitwasyon.

Maraming salamat po sa JNF sa patuloy ninyong pagbibigay ng mga programang tunay na may malasakit sa tao. Malaki po ang naging epekto ng inyong adbokasiya sa aking buhay at sa marami pang iba. Ipagpatuloy niyo po ang inyong magandang layunin at serbisyo. Nawa'y mas marami pa kayong maabot at matulungan. Ang inyong ginagawa ay nagbibigay inspirasyon at pag-asa sa maraming buhay. Maraming salamat po at pagpalain pa kayo.

The program has helped me greatly because my goals have become clearer and I have become more responsible in my decisions. I learned the importance of discipline, proper planning, and maintaining a positive outlook in life. I apply these lessons every day in my activities, especially in decision-making, dealing with others, and facing challenges.

I feel more whole and better prepared to face life's challenges. I now have confidence and peace of mind because I know I have knowledge that I can use in different situations.

Thank you very much to JNF for continuously providing programs that genuinely care for people. Your advocacy has had a significant impact on my life and on many others. Please continue your noble mission and service. May you reach and help even more people. What you do brings inspiration and hope to many lives. Thank you very much, and may you be further blessed.

Vanessa Francisco

HOME PARTICIPANT

Empowered at grateful ako ngayon. Nakakuha ako ng mga bagong kaalaman at skills na nakakatulong sa akin na mag-grow as a person. Nakatulong ito sa akin na magkaroon ng confidence at skills para makatulong sa sarili ko, sa pamilya ko, at sa komunidad namin. Natutunan ko kung paano mag-manage ng time at stress, at kung paano mag-set ng goals at achieve ang mga ito.

Na-i-apply ko sa buhay ko ay ang importance ng gratitude at positivity. Kahit anong mangyari, always kong isipin ang mga blessings ko at mag-focus sa mga positive things.

Maraming salamat sa JNF sa pag-offer ng ganitong programa. Nakakatulong ito sa mga tao na magkaroon ng pag-asa at mag-improve ng buhay nila.

I feel empowered and grateful now. I have gained new knowledge and skills that help me grow as a person. This has helped me build the confidence and abilities to support myself, my family, and our community. I learned how to manage my time and stress, and how to set goals and achieve them.

What I now apply in my life is the importance of gratitude and positivity. No matter what happens, I always remind myself of my blessings and focus on the positive things.

Thank you very much to JNF for offering programs like this. They help people gain hope and improve their lives.

Racquel Ditcher

HOME PARTICIPANT

Dati, diskarte lang sa buhay ang alam ko. Nung dumating yung HOME (Home Ownership Made Easy) Program ng Joy~Nostalg Foundation, mas naintindihan ko na kailangan pala may tamang sistema. Natutunan ko paano i-budget yung sweldo ng asawa ko. Malaking tulong ito para hindi masayang 'yung mga napundar namin. As a mom, napakahirap talaga ng adjustment yung paghawak ng pera, pero dahil sa HOME Program na ito, mas naging practical ako. Mas natututo akong mag-prioritize. Inuuna ko na yung mga kailangan talaga ng anak ko kaysa sa mga gusto lang. Dahil doon, mas kampante ako na protektado yung kinikita ko dahil alam ko nang i-manage ito nang tama.

Sa mga ka mommy ko, huwag nating isipin na taga-bahay lang tayo kasi tayo ang manager ng ating tahanan. Kaya maging wais na nanay tayo sa ating tahanan.

Thank you po sa JNF. Dahil po dito, nagkaroon po ako ng lakas ng loob na magsimula ng maliit na negosyo.

Before, all I knew in life was how to get by through resourcefulness. When the HOME (Home Ownership Made Easy) Program of Joy~Nostalg Foundation came, I realized that having the right system is also important. I learned how to budget my husband's salary properly. This has been a huge help in making sure that what we have worked hard for does not go to waste.

As a mom, handling finances has really been difficult, but because of HOME Program, I became more practical. I learned how to prioritize better. I now focus first on my child's real needs rather than just wants. Because of that, I feel more confident that the income we earn is protected because I now know how to manage it properly.

To my fellow moms, let us not think that we are "just housewives," because we are the managers of our homes. That is why we should become wise mothers in managing our households.

Thank you, Joy~Nostalg Foundation. Because of this program, I gained the courage to start a small business.

April Aguirre | HOME PARTICIPANT

Sobrang thankful po ako dahil sa mga natutunan ko na alam kong magagamit ko in the near future. Bukod sa extra income na pwede mong makuha pag na-iaapply mo yung natutunan mo, pwede ka rin magkaroon ng mga kaibigan sa pagdalo lang sa proyekto.

Maraming salamat JNF sa walang sawang pag-agapay sa aming komunidad. Sana po hindi kayo magsawang magpatupad ng mga proyekto na magpapabuti sa pamumuhay ng tao.

I am very thankful for the things I learned, which I know I will be able to use in the near future. Aside from the extra income you can earn when you apply what you have learned, you can also gain friendships simply by participating in the projects

Thank you very much to JNF for your tireless support of our community. We hope you never grow weary of implementing projects that help improve people's lives.

Sheila Marie Guzman | BFF PARTICIPANT

Marami po akong natutunan sa Basic Family Formation—kung paano magpalaki ng anak. Importante po 'yung communication po sa isa't isa. Palagi po nating kausapin 'yung mga anak natin. Pagkagaling sa school, kumustahin po natin sila. Minsan 'yung anak natin 'di naitn alam malungkot, 'yun pala na-bu-bully na sa school.

Masaya po ako na 'yung programa po nila ay malaking tulong sa bawat pamilya. Madami pong matututunan ang bawat pamilya kapag um-attend sila bilang participant. Hindi lang po pansarili ang tinuturo sa mga module. Meron po dito para sa mga anak kung paano sila mas magiging open, at mga values na dapat nating i-apply sa ating tahanan.

I learned a lot from the Basic Family Formation (BFF)—especially about how to raise children. Communication with one another is very important. We should always talk to our children. When they come home from school, we should ask how they are. Sometimes we don't realize that our child is already feeling sad, only to find out later that they are being bullied at school.

I am happy that BFF is a great help to every family. Every family can learn a lot if they attend as participants. The modules do not focus only on personal development. There are also lessons for children on how they can become more open, as well as values that we should apply in our home.

Princess Guzman-Lambrinto | BFF PARTICIPANT

Dati po mas shy po ako, not very open to my parents. Noong um-attend po ako ng programa, in-apply ko po 'yung pagiging tapat sa kanila. 'Yung nangyari po sa pamilya namin, more happy kasi mas nagiging alam po nila 'yung personality ko and 'yung behavior ko. Mas naging matatag po 'yung family ko po.

I used to be very shy and not very open with my parents. When I attended the program, I applied honesty in my relationship with them. What happened in our family is that we became happier because they came to understand my personality and my behavior better. Our family also became stronger.

Ailyn Malicdem

MaPa TEENS PARTICIPANT

Ang nagpasaya sa'kin sa programa ay naging open 'yung anak ko—lalo na sa papa niya. Ngayon nagiging open na siya, 'di na siya takot magsabi. Pati asawa ko masaya kasi sa pag-a-attend ko sa MaPa Teens saka sa BFF, marami po kaming natututunan.

Marami pong natutulungan ang JNF. Nakakatulong po sa family kasi nung una hindi po kami ganon ka-close po, pero simula nung um-attend kami ng programa niyo mas marami kaming natutunan na na-apply namin sa family namin.

What made me happy about the program is that my child became more open—especially with his father. Now my child is no longer afraid to speak up and express feelings. Even my spouse is happy because through my attendance in the Masayang Pamilya para sa Batang Pilipino (MaPa) Teens and Basic Family Formation (BFF) programs, we have learned a lot. Joy~Nostalg Foundation (JNF) has helped many people. It has been a big help to our family because before, we were not very close, but since we attended your programs, we have learned many things that we were able to apply in our family.

Maryjane Nayre

MaPa TEENS PARTICIPANT

'Yung pinakanatutunan ko sa MaPa ay 'yung one-on-one time sa bata. 'Yung relationship namin noon ng anak ko, lagi kami nagbabangayan tapos matigas 'yung ulo niya. Hindi siya nakikinig sa akin. Ngayon nung sumali kami sa MaPa Teens, napapansin ko sa kanya hindi na siya nagpapa-utos, minsan nagkukusa na siya. Mas okay siya ngayon kumpara noong bago siya sumali sa MaPa Teens.

'Yung module three po na-apply ko po sa mga anak ko. Hinati ko 'yung gawain ng mga anak ko sa bahay kasi doon sila lagi nagtatalo. Binigyan ko sila ng toka para 'di sila nag-aaway.

Maipapangako ko sa anak ko na lagi ako magkakaran sa kanya ng one-on-one time. 'Yun 'yung napag-aralan namin sa MaPa Teens – kailangan ng mga bata ngayon na magkaroon ka ng oras sa kanila.

Sa Joy~Nostalg Foundation naman po, maraming salamat po sa inyo dahil marami kaming natututunan dito sa Pasinaya. Sana lumawak pa po ang inyong team, at marami pa po kaming matutunan.

The most important thing I learned from MaPa is having one-on-one time with my child. Before, my relationship with my child was always filled with arguments, and she was very stubborn and would not listen to me. When we joined MaPa Teens, I noticed changes—my child no longer has to be constantly told what to do and sometimes even takes initiative. She is much better now compared to before joining MaPa Teens.

I applied Module Three with my children. I divided the household chores among them because that was where they always argued. I assigned specific tasks to each one so they would not fight. I can promise my child that I will always make time for one-on-one moments. That is what we learned in MaPa Teens—children today need us to spend time with them.

To Joy~Nostalg Foundation, thank you very much because we have learned so much here in Pasinaya. We hope your team continues to grow so that we can learn even more.

Princess Khate Nayre

MaPa TEENS PARTICIPANT

Ang natutunan ko po sa MaPa ay kung paano po maging mabuting ate. Ikaw po kasi 'yung nangunguna sa magkakapatid, kaya kailangan mo turuan 'yung kapatid mo kung paano gawin ito.

Thank you po JNF dahil po binigyan niyo po kami ng pagkakataon para mas lumawak pa po ang aming kaalaman tungkol sa mga hindi pa po namin nalalaman tungkol po sa pag-iipon ng pera, and ng budget. Thankful ako na pinayagan akong dumalo sa MaPa Teens para lumawak ang aking kaalaman, at para maging mabuti pa akong ate sa mga kapatid ko po.

What I learned from MaPa is how to be a good older sister. As the eldest among siblings, you are the one who leads, so you need to teach your younger siblings how to do things properly.

Thank you to JNF for giving us the opportunity to broaden our knowledge, especially about things we did not know before, such as saving money and budgeting. I am thankful that I was allowed to attend MaPa Teens so that I could further expand my knowledge and become an even better older sister to my siblings.

Philip Mark Cauba

President of Pagsinag Riders Club Bulacan Inc.

Malaki ang naitulong ng Joy~Nostalg Foundation sa aming grupo. Tinulungan nila kami sa pamamagitan ng pag-invite ng mahuhusay na resource speaker sa trainings mas lumawak ang kaalaman namin sa pagiging leader at volunteer, at nagbigay gabay mula sa pagrerehistro sa SEC hanggang sa pagkuha ng BIR certification, na nagpadali at nagpaayos sa aming mga proyekto.

Tumutok sila hindi lang sa proseso, kundi nagbigay rin ng mga bagong ideya at perspektibo para mapabuti ang aming serbisyo. Excited kami sa mga susunod na proyekto kasama ang JNF, tulad ng Disaster Preparedness Workshop, Environmental Clean-Up Drives, at Youth Empowerment Program.

Tunay na inspirasyon ang JNF sa amin at malaking tulong sila para maisakatuparan namin ang aming layunin sa komunidad.

Joy~Nostalg Foundation (JNF) has been a great help to our group. They supported us by inviting excellent resource speakers for training, which broadened our knowledge as leaders and volunteers. They also provided guidance from SEC registration up to obtaining BIR certification, making our projects easier to implement and better organized.

They focused not only on the process but also shared new ideas and perspectives to help improve our services. We are excited about upcoming projects with JNF, such as a Disaster Preparedness Workshop, Environmental Clean-Up Drives, and a Youth Empowerment Program. JNF is truly an inspiration to us and a great help in achieving our goals for the community.

Mary Jane Astrologo

President of EmpowerHER Organization Inc.

Maraming nagbago sa akin simula nang sumali ako sa mga programa ng Joy~Nostalg Foundation. Natutunan kong makisalamuha sa iba at tumulong sa mga nangangailangan. Naging mas aktibo ako sa aming grupo at mas dumami rin ang mga gustong sumali.

Sa tulong ng JNF, nagkaroon ako ng lakas ng loob na ibahagi ang aking kaalaman, mas tumibay ang aming hangarin na isulong ang mga programang para sa kababaihan at kabataan. Mas tumaas ang aking kumpiyansa at natuklasan kong kaya ko palang mamuno.

Nagpapasalamat ako sa JNF dahil ipinakita nila sa akin na kahit simpleng mamamayan, walang imposible basta may mabuting hangarin. Hindi lamang nito pinalakas ang aming grupo, kundi nagdulot din ng positibong pagbabago sa aming komunidad.

Many things have changed in me since I joined the programs of the Joy~Nostalg Foundation. I learned how to interact with others and help those in need. I became more active in our group, and more people were encouraged to join.

With the help of JNF, I gained the courage to share my knowledge, and our commitment to advancing programs for women and youth grew stronger. My confidence increased, and I discovered that I am capable of leading.

I am grateful to JNF because they showed me that even as an ordinary citizen, nothing is impossible as long as you have good intentions. Their support not only strengthened our group but also brought positive change to our community.

Maricar Legaspi

Member of Pasinaya 2
Women's Organization
Inc.

Para sa akin, malaking epekto ang naging karanasan ko sa CSO kasama ang Joy~Nostalg Foundation. Mas marami akong nakilala sa aming komunidad, at nakakatuwang malaman na maraming tao ang excited sa aming unang programa.

Ang pagiging bahagi ng Pasinaya 2 Women's Organization ay hindi ko inaasahan. Iisa lang ang layunin namin—palawakin ang aming kaalaman, ibahagi ito sa iba, at tumulong sa mga kababaihan sa aming komunidad. Iba talaga ang pakiramdam kapag nakakatulong ka, at mas lalo akong na-inspire na ipagpatuloy ang aming organisasyon.

Umaasa kami na sa tulong ng JNF, magpapatuloy ang aming mga proyekto, lumalago ang aming programa, at dumarami ang miyembro ng aming samahan.

For me, my experience in the CSO together with the Joy~Nostalg Foundation (JNF) had a significant impact. I was able to meet more people in our community, and it was encouraging to see how many were excited about our first program.

Becoming part of the Pasinaya 2 Women's Organization was something I did not expect. We share one goal—to expand our knowledge, share it with others, and help the women in our community. There is something truly fulfilling about being able to help, and it inspired me even more to continue our organization.

We hope that with the support of JNF, our projects will continue, our programs will grow, and our organization will gain more members.

Melanie Garcia

Vice-Chairperson of Community of Pagsinaya Consumers Cooperative (CPCC)

‘Yung koop na nabuo namin na CPCC, Bagamat ito’y nagsisimula pa lamang, unti-unti na rin dumadami ang mga miyembro na sumasali. Nakakatulong kasi ito sa mga munting pangangailangan ng bawat isa, and ang produkto naman na in-o-offer namin ay abot kaya. Ang pangunahing layunin ng kooperatiba ay tumulong na pagandahin ang antas ng pamumuhay ng mga mahihirap. Kaya nabibigyan ng ganitong pribilehiyo ang mga kooperatiba.

Magaan po sa pakiramdam na ako man ay isang bahagi nito, at alam kong balang araw pag ang koop ay malawak na, magiging maagan din ang buhay ng kagaya naming simple lang.

Sabi ko nga, walang taong mahirap, kung lahat gagawin mo para umangat. Hindi para yumaman, kundi para gumaan ang pamumuhay.

Wala pong sidlan ang aking pasasalamat sa JNF. Dahil kung hindi sa tulong nila, hindi mabubuo ang CPCC dito sa aming komunidad. Mula sa simula at hanggang ngayon walang sawa sila sa paggabay at pagtulong sa’min lalo na at bago palang ang koop. Mula sa SEC registration, trainings at iba pa. Hindi sila nagsawang tumulong.

The cooperative we formed, Community of Pagsinaya Consumers Cooperative (CPCC), even though, is still just starting, but little by little the number of members is growing. It helps meet the small daily needs of each person, and the products we offer are affordable. The primary goal of the cooperative is to help improve the quality of life of the poor, which is why cooperatives are given such opportunities.

It feels good to be part of this, knowing that one day, when the cooperative has grown, life will also become easier for simple people like us. As I always say, no one is truly poor if you do everything you can to improve your situation—not to become rich, but to make life easier.

My gratitude to JNF has no bounds. Without their help, CPCC would not have been established in our community. From the beginning up to now, they have tirelessly guided and supported us, especially since the cooperative is still new—from SEC registration to training and more. They never grew tired of helping us.

Luzviminda Lim

Chairperson of Greenfield Community Agriculture Cooperative

Sa programa ng JNF, marami po akong natutunan tungkol sa tamang pagpapatakbo ng kooperatiba, lalo na sa aspeto ng agrikultura. Natutunan namin ang kahalagahan ng pagkakaisa, maayos na pamamalakad, wastong paghawak ng pondo, at pagpapalago ng aming agricultural products. Dahil sa mga aral ng JNF, mas naging handa at kumpiyansa kami sa pagpapatayo ng aming sariling kooperatiba.

Sa aking sarili, natulungan ako ng kooperatiba na maging mas responsable, masipag, at disiplinado sa aming hanapbuhay sa agrikultura. Sa aking pamilya, nagbigay ito ng mas matatag na kita at mas siguradong pangangailangan. Sa aming komunidad, nakatulong ang kooperatiba upang magkaroon ng trabaho, pag-asa, at pagkakaisa ang mga miyembro at iba pang residente.

Sa tulong ng JNF, kahit mag-iisang taon pa lamang ang aming kooperatiba at may 26 na aktibong miyembro, masasabi naming ito ay unti-unti nang lumalago at nagiging matatag. May malinaw na sistema, may mga produktong agrikultura na patuloy naming pinaunlad, at may mga miyembrong masigasig na nagtutulungan upang mapaunlad pa ang aming organisasyon.

Lubos po kaming nagpapasalamat sa JNF dahil sa kanilang gabay, tiwala, at suporta sa aming kooperatiba. Kayo po ang naging inspirasyon at sandigan namin upang makapagsimula at magpatuloy. Dahil sa inyo, nagkaroon kami ng lakas ng loob na mangarap ng mas maayos na kinabukasan para sa aming pamilya at komunidad.

Bilang miyembro ng kooperatiba, ramdam ko po ang seguridad, pagkakaisa, at pag-asa.

Through this Joy~Nostalg Foundation (JNF) program, I learned many things about the proper management of a cooperative, especially in the area of agriculture. We learned the importance of unity, good governance, responsible fund management, and the development of our agricultural products. Because of JNF's teachings, we became more prepared and confident in establishing our own cooperative.

On a personal level, the cooperative helped me become more responsible, hardworking, and disciplined in our agricultural livelihood. For my family, it provided a more stable source of income and greater security for our daily needs. In our community, the cooperative has helped create jobs, hope, and unity among members and other residents.

With the help of JNF, even though our cooperative is only one year old and has 26 active members, we can say that it is steadily growing and becoming more stable. We have a clear system, continuously improving agricultural products, and members who actively work together to further develop our organization. We are deeply grateful to JNF for their guidance, trust, and support for our cooperative. You have been our inspiration and source of strength as we began and continue this journey. Because of you, we gained the courage to dream of a better future for our families and community.

As a member of the cooperative, I truly feel a sense of security, unity, and hope.

Marilyn Floro

Chairperson of Pasinaya
Pagsinag Neighborhood
Enterprise Marketing

Lubos po akong nagpapasalamat sa JNF sa patuloy na paggabay at paniniwala sa kakayahan ng maliliit na komunidad. Malaki po ang naging epekto ng inyong programa sa aming kooperatiba at sa aming buhay. Nawa'y mas marami pa kayong matulungan.

Bilang miyembro ng kooperatiba, nakakaramdam po ako ng dignidad, pag-asa, at seguridad. Mas nagiging positibo ang aking pananaw dahil alam kong may kasama akong handang tumulong at umunlad kasama ko.

Sa tulong ng JNF, ang aming kooperatiba ay unti-unti nang lumalakas. May malinaw na direksyon, aktibong mga miyembro, at mas maayos na sistema sa pamamahala. Naging gabay namin ang mga aral at suportang ibinahagi ng JNF.

Marami po akong natutunan mula sa JNF program, lalo na sa tamang pagtatayo at pamamahala ng kooperatiba. Natutunan ko ang kahalagahan ng good governance, financial discipline, transparency, at pagtutulungan ng mga miyembro upang maging matatag at sustainable ang isang kooperatiba.

Malaki po ang naitutulong ng kooperatiba sa akin dahil nabigyan ako ng kaalaman, kumpiyansa, at oportunidad na maging lider. Sa aking pamilya, nakakatulong ito sa dagdag-kaalaman sa paghawak ng pera at pangkabuhayan. Sa komunidad naman, nagiging daan ito para sa pagkakaisa, tulong-pinansyal, at mga proyektong pangkaunlaran.

I am deeply grateful to Joy~Nostalg Foundation (JNF) for their continued guidance and for believing in the capabilities of small communities. Your programs have had a significant impact on our cooperative and on our lives. May you be able to help even more people.

As a member of the cooperative, I feel a sense of dignity, hope, and security. My outlook has become more positive because I know I am not alone—I am with people who are ready to help and grow together with me.

With the support of JNF, our cooperative is gradually becoming stronger. We now have a clear direction, active members, and a more organized management system. The lessons and support shared by JNF have guided us greatly. I learned many things from the JNF program, especially about the proper establishment and management of a cooperative. I learned the importance of good governance, financial discipline, transparency, and cooperation among members to ensure that a cooperative becomes strong and sustainable.

The cooperative has been a great help to me because it has given me knowledge, confidence, and opportunities to become a leader. For my family, it has helped us gain additional knowledge in managing finances and livelihoods. In the community, it has become a means for unity, financial support, and development-oriented projects.

Chairperson of Community Choice Consumer Cooperative

Sa tulong po ng JNF, ang aming mga miyembro ay maraming natutunan sa mga binibigay na trainings at seminars, hindi lamang sa usaping pinansyal pero maging sa aming pagkatao. Mas malinaw na po ngayon ang aming mga sistema at layunin, at mas aktibo na ang ilang mga miyembro sa mga programa at aktibidad ng kooperatiba.

Mula umpisa hanggang ngayon, katuwang namin ang Joy~Nostalg Foundation, kumbaga sa isang bahay, parte sila ng pundasyon ng C4 para kami ay maging matatag. Sa lahat ng aming registration, seminars, trainings, mga basic na pangangailangan ay kanilang tinugunan upang masigurong maginhawa naming mapalago ang aming mga saping puhunan.

Sinisiguro ng JNF na hindi nila kami iiwan, kung kaya, panatag kami na malalampasan namin ang mga pagsubok na ito at sama sama naming palalaguin ang negosyo na may iisang layunin. Ang gawing matatag, maginhawa, at panatag ang aming kabuhayan sa loob ng aming bawat pamayanan.

Maraming salamat, Joy~Nostalg Foundation sa patuloy na suporta, kaalaman, at tiwala na ibinibigay ninyo sa amin. Malaki po ang naitulong ng inyong programa upang mabigyan kami ng lakas ng loob at kakayahan na magtayo at magpatakbo ng isang maayos na kooperatiba. Nawa'y magpatuloy pa po ang inyong adbokasiya sa pagtulong sa mas maraming komunidad.

With the help of Joy~Nostalg Foundation (JNF), our members gained valuable knowledge from the training and seminars provided—not only in financial matters but also in personal development. Our systems and goals are now clearer, and more members have become active in the cooperative's programs and activities.

From the beginning until now, the Joy Nostalg Foundation has been with us every step of the way. Like the foundation of a house, they are part of what makes C4 strong and stable. They supported us in all our registrations, seminars, training, and basic needs to ensure that we could grow our capital smoothly. JNF assures us that they will not leave us, which gives us confidence that we can overcome challenges together and continue to grow our enterprise with a shared goal—to build a stable, secure, and sustainable livelihood within each of our communities.

Thank you very much, Joy Nostalg Foundation, for the continued support, knowledge, and trust you give us. Your program has greatly helped us gain the confidence and capability to establish and manage a well-functioning cooperative. May your advocacy continue to reach and help even more communities.

Youth Conference Participant

During one of Joy~Nostalg Foundation's spiritual seminars, I realized what it is really like to nourish that servant leadership in your life. I learned to openly reflect on the challenges of leading while still growing in faith myself. The messages shared helped us reconnect with our purpose and reminded us that God equips those He calls.

Joy~Nostalg Foundation's faith-inspired service creates lasting impact by forming leaders who are grounded in faith and compassion. Their service is guided by trust in God, especially in how they nurture faith among us. We are encouraged to be the change that could help our community.

As a youth leader, this kind of support means being strengthened both as a servant and as a person. It creates a safe space where we are encouraged, guided, and spiritually nourished, allowing us to lead others with humility, understanding, and love.

Roy Ian Endrina

Mother of Life Student and Catechist in Sta. Candida Parish

Sa pamamagitan ng mga activity tulad ng recollection, ay nakakatulong upang maunawaan at tingnan ang mga pangyayari sa buhay na lamang ito mga pagsubok o hindi bilang parusa, kundi bilang mga pagkakataon para lumago. At pagkakaroon ng kunting pahinga upang makapag-isip at pagnilayan ang sarili at balikan ang mga bagay na pwede pang itama o i-improve.

Ang desperasyon ay napapalitan ng pag-asa. Ang mga taong dati ay lugmok sa depresyon o kawalan ng saysay ay nakakatagpo ng bagong layunin sa buhay. Aside from experience ko na aking nakita at napakinggan ko sa aking pagsama sa kanilang mga activity napansin ko na ang Joy~Nostalg ay hindi lamang isang negosyo; o pagpapalago kundi ito ay isang bokasyon.

Hindi lamang sa paglago sa kanilang buhay-buhay kundi pati na rin sa kanilang buhay pananampalataya—mula sa pagkakaroon ng pag-asa hanggang sa paglalim ng kanilang relasyon sa Diyos—ang pangunahing pundasyon na nagpapanatili sa alab ng ministeryong ito. Walang mas hihigit pa sa kagalakan na makitang nagiging liwanag ang bawat isa sa kani-kanilang pamilya kundi pati na rin sa kumunidad.

Through activities such as recollections, participants are helped to understand and view life's experiences not merely as trials or as punishments, but as opportunities for growth. Having a moment of pause allows time for reflection and self-examination, and for looking back at things that can still be corrected or improved. Desperation is replaced with hope, and people who were once burdened by depression or a sense of meaninglessness begin to find a new purpose in life.

Aside from my own experience and what I have seen and heard while participating in their activities, I have come to realize that Joy~Nostalg is not merely an organization or a means for growth—it is a vocation. It nurtures not only personal development but also spiritual life—from gaining hope to deepening one's relationship with God. This faith-centered foundation is what keeps the fire of this ministry alive. There is no greater joy than seeing individuals become a light not only within their families but also in their community.

Parent-Advent Recollection Participant

Sa pamamagitan ng paglilingkod ng Joy~Nostalg Foundation, naranasan ko ang pag-ibig ng Diyos sa aksyon, habang buong puso nilang tinutugunan ang mga pangangailangan ng komunidad, na nagpapakita ng pananampalataya. Ang pagtanggap ng suporta na higit pa sa mga programa ay nangangahulugan ng pagkaranas ng tunay na pag-aalaga, na nakaugat sa pananampalataya at empatiya, na tumutugon hindi lamang sa pisikal kundi pati na rin sa espirituwal na mga pangangailangan.

Naaalala ko noong ang Joy~Nostalg's Spiritual Development Ministry ay nagbigay ng pagpapayo at panalangin sa panahon ng isang krisis sa komunidad, na nagbibigay ng malaking kaginhawahan at pag-asa.

Ang paglilingkod na may inspirasyon ng pananampalataya ng Joy~Nostalg Foundation ay nag-iwan ng pangmatagalang epekto sa pamamagitan ng pagpapalakas ng pakiramdam ng pagiging kabilang, pagbibigay inspirasyon sa pag-asa, at pagtataguyod ng positibong pagbabago sa buhay ng mga tao.

Through the service of the Joy~Nostalg Foundation, I experienced God's love in action, as they wholeheartedly responded to the needs of the community in a way that reflects faith. Receiving support that goes beyond programs means experiencing genuine care—rooted in faith and empathy—that addresses not only physical needs but also spiritual ones.

I remember when Joy~Nostalg's Spiritual Development Ministry provided counseling and prayer during a time of community crisis, bringing great comfort and hope. The faith-inspired service of the Joy~Nostalg Foundation leaves a lasting impact by strengthening a sense of belonging, inspiring hope, and fostering positive change in people's lives.

REFLECTION FROM XAVIER STUDENTS

Through the **Panunuluyan Program**, Xavier students experienced living with families in Pasinaya Homes during their immersion. They learned that home isn't about material wealth, but about love, independence, and belonging. These experiences reflect the heart of the program: building social consciousness and inspiring students to turn empathy into action. Beyond the immersion itself, the program challenges students to carry this awareness forward – to pursue careers and create solutions environments that genuinely serve communities.

“

“There is a special value to and experience of Filipino hospitality. The people in the immersion make the most of their lives. From my perspective, I can see how they truly are as people with their joy and camaraderie.”

“

A family's love will always shine. Filipinos are very hospitable. They go all out and try to make your life the most convenient as possible.

“

“I learned about the perspectives of people living in these kinds of conditions or housing. They live there to experience independence, the freedom, and the feeling of having a place to call home. They aren't necessarily from Bulacan, or even work in the province, but these homes offer them a comfort that they wouldn't have otherwise if not for the way these homes are set-up to be.”

“

“I really felt at home with my foster family and they treated me as one of their own.”

FUTURE BRIGHT

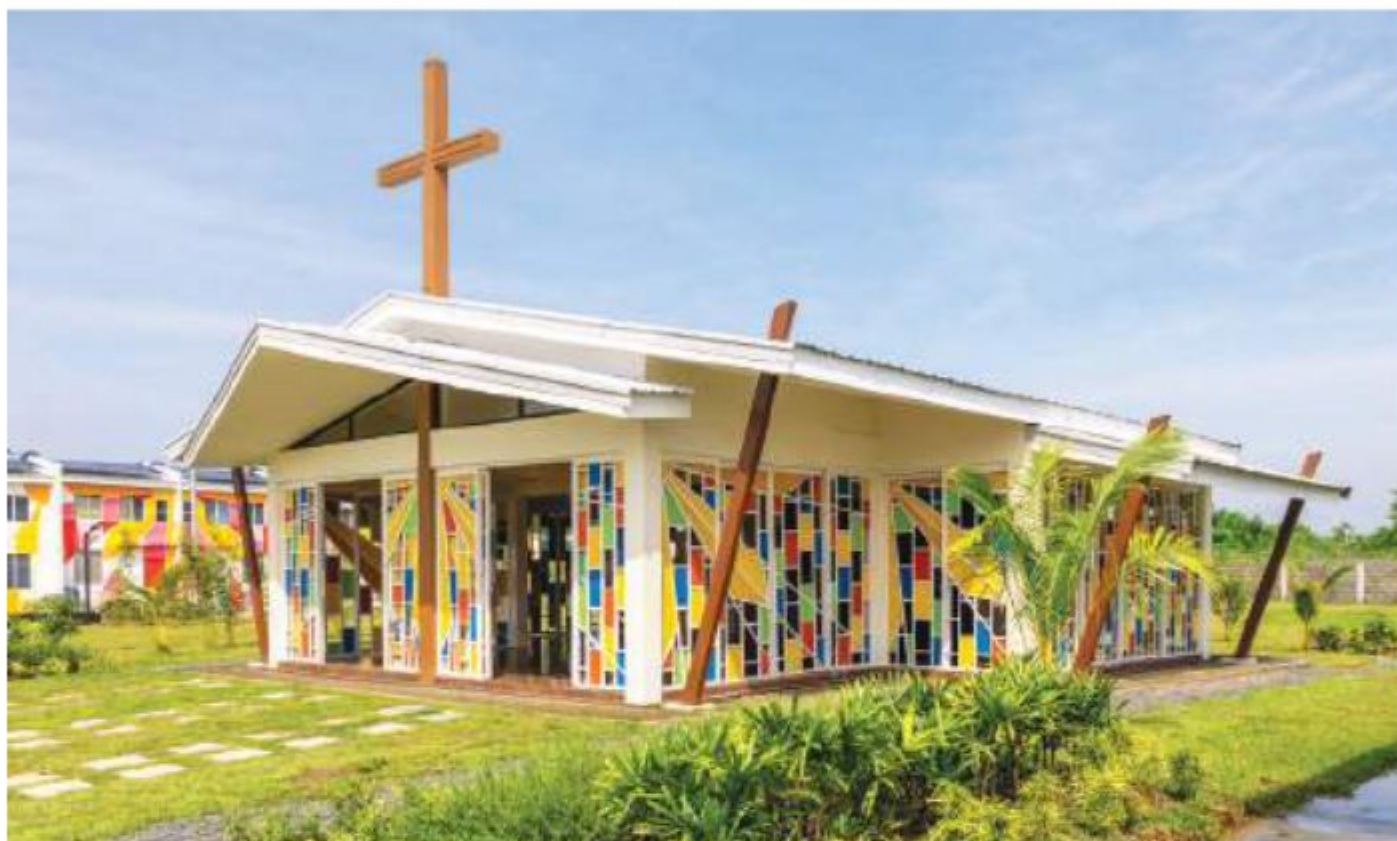

The milestones of 2025 have propelled Joy~Nostalg Foundation (JNF) into a new era of institutional leadership. We enter 2026 no longer merely as an implementer of programs, but as a benchmark for what socialized housing can achieve when driven by a holistic Homefulness framework. This ensures that every household we touch is not only strongly rooted (**Matatag**) and comfortable (**Maginhawa**), but also secure (**Panatag**).

The trajectory for the coming year is defined by our commitment to sharing this Homefulness blueprint as a scalable roadmap for community transformation. By integrating the digital reach of **hopeful.ph** with our **Community-led Family Formation**, we are nurturing homes that are not only stronger but **happier and more connected**. Simultaneously, the growth of our **SEC-registered CSOs and cooperatives** is paving the way for neighborhoods that are **thriving and truly sustainable**. We envision 2026 as the year these strategies—honored by recent regional and national recognitions—serve as a practical guide for building self-governed communities across the country.

Our focus remains unwavering: to foster environments where empowerment is a sustainable reality rather than a temporary initiative. Through continued innovation and strategic advocacy, JNF strives to lead a movement where every Filipino family is provided with a clear roadmap to a thriving future. We enter the new year inspired to be a catalyst for systemic change, ensuring that the light of progress reaches every corner of the nation.

PRAYER OF OUR HOME

Praise and glory to our Lord, Jesus Christ!

Almighty Father, we, the Joy~Nostalg Foundation, come before You with profound thanksgiving as we close this chapter. We celebrate the victories of this past year, knowing fully that none of our accomplishments would be possible without Your hand making a way.

We thank You for the lives that have been transformed and the households that have been empowered. Through Your grace, we have seen our communities move closer to the promise of a life that is Matatag, Maginhawa, and Panatag.

As we look toward 2026, we ask that You sustain the flame of service in our hearts. Grant us the courage to reach greater heights and the humility to remain faithful to Your calling. May our mission continue to be an offering that honors You and brings lasting hope to every Filipino family we serve.

To You be all the praise, the honor, and the glory, now and forever.
In Jesus' name, we pray.

Amen.
