TESTIMONIALS

We would like to thank you for all your efforts and help with the organization of the KFC Europe Franchisee Convention at your beautiful Rumours Beach Club.

Thanks to your both availability and flexibility we were able to organize this event for 150 people out of Switzerland. Your extra hours based on the time difference of our two cities were extremely appreciated and made this celebration evening very special and unforgettable for our partners. It was an extremely important party for our franchisees as well as for our management and you made it outstanding.

From the welcome drinks, the big screen showing our logo next to the pool, the presentations on extra screens, the DJ, the decoration to the dinner – all went super smooth. Thank you as well for having been present during the evening and taking pictures.

I am sure our team was impressed and if we organize another event in Singapore, we would definitely get back to you.

—KFC Western Europe (Stefanie Piera Lauper)

We hosted our annual APAC team offsite with a number of 130 pax at Rumour's Beach Club in Aug 2023. Rumour's team had been amazing to work with, from brainstorming, planning and execution they have been extremely helpful in every way.

A big shout out to Yafith who was managing our event from helping us to source speakers from external vendors to driving out to purchase a battery for the guitar that we brought at the event date itself. We couldn't ask for a more helpful team to work with! The rest of the team were all on the ball and even offered to take group photos for each table for us throughout the night. All in all, I have never worked with such a great team in Singapore.

—Google APAC (Joey Chan)
