

TRENDPARK

A minimalist interior space with a long, light-colored wooden desk on the left. A black, modern-style chair with thin metal legs is positioned in front of a large window. The window looks out onto a lush green landscape. The floor is made of wide-plank, light-colored wood. The walls are white, and a black lamp is mounted on the wall above the desk.

UNCONVENTIONAL AND TRENDY

Anything but generic: the unbevelled Trendpark product line
and its large planks create unique surfaces and a vast variety
of spacious room designs.

Colours, surfaces and dimensions

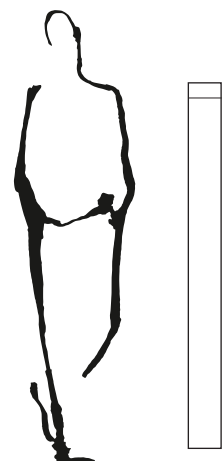

Whether you're looking for a unique diversity of colour or a used look, with Trendpark, you will discover something special that creates an optimal spatial effect, thanks to its unconventional surfaces and structures. As our largest unbevelled format, the individual planks blend into the background, shifting the focus to the floor as a whole.
