

ELECTRIC SERVICE DISTRIBUTORS

SUPPORTING YOUR BUSINESS NEEDS

At HHM, we understand the unique challenges faced by electric service distributors. Our range of services is designed to ensure your operations run smoothly and efficiently. Our expertise in director elections and annual TVA and RUS reports guarantees that you meet all regulatory requirements.

INDUSTRY-SPECIFIC EXPERTISE

For over 40 years, HHM CPAs has provided services to utilities across the Southeast. Our team possesses decades of practical, utility-specific financial and economic development expertise at both state and national levels.

PERSONALIZED SUPPORT AND SEAMLESS INTEGRATION

Navigating the maze of government regulations, administrative protocols, and financial challenges can be overwhelming. To chart a clear path forward, expand your opportunities, and safeguard your financial health, you need a partner who understands the utilities industry inside out.
