EVENT OVERVIEW

ABOUT GATHERING FOR HOPE

Gathering for Hope is an evening that celebrates the strength and generosity of our community while uplifting individuals on their journey toward sustainable housing. Together, we honor the meaningful contributions of donors, partners, and supporters who help create pathways forward for neighbors experiencing homelessness.

Your participation helps expand The Gathering Inn's ability to provide comprehensive services, including case management, rehabilitation support, mental health care, and assistance with basic needs. Gathering for Hope reflects our shared commitment to dignity, hope, and the well-being of every individual we serve.

2026 SPIRIT OF HOPE AWARD RECIPIENT

Former Chief Daniel Hahn

This year, The Gathering Inn proudly presents the Leo and Eileen French Spirit of Hope Award, honoring leaders whose service reflects a deep commitment to helping neighbors experiencing homelessness find pathways to stability.

In 2026, we are proud to recognize Former Chief Daniel Hahn, whose career in Roseville and Sacramento advanced collaborative public safety strategies that connect individuals in crisis to services, mental health support, and long-term solutions. Chief Hahn has championed a "whole community" approach to homelessness, bringing together outreach, behavioral health, housing pathways, and community partners to respond with both compassion and accountability.

His leadership reflects the Spirit of Hope legacy established by Leo and Eileen French and stewarded through Placer Title's longstanding commitment to strengthening our community.

EVENT HIGHLIGHTS

The evening begins with a full host cocktail hour featuring live music, hors d'oeuvres, and featured tasting from local favorites.

Guests are then invited to be seated for a 3-course dinner experience, an inspirational program full of hope, and a rousing live auction.

ABOUT THE GATHERING INN

OUR MISSION

The Gathering Inn's mission is to meet people where they are, inspire hope, and walk alongside them on their journey to sustainable housing.

Transformation happens within the context of community and healthy relationships. Guests are welcomed to The Gathering Inn, and begin their journey out of homelessness. The TGI team offers acceptance, security, and encouragement. Lives are impacted and joy is shared.

OUR PROGRAMS

Emergency Housing invites individuals to participate as guests in this life changing resource. Guests are not only offered meals and a safe place to sleep, but they also gain resources that equip them to move from homelessness to sustainable housing.

Permanent Supportive Housing provides long-term supportive housing to those who are most vulnerable. Residents are paired with case managers who help navigate community resources and encourage individualized growth. Self-dependence is cultivated through life skills education and accountability within a community setting.

The **Medical Respite Program** provides short-term, post-hospital care for individuals experiencing homelessness who are too medically fragile to recover on the streets. Guests are offered a safe place to heal while receiving care coordination, medication support, and connections to ongoing medical, mental health, and housing services, helping reduce hospital readmissions and prevent returns to homelessness.

YOUR SUPPORT MATTERS

The Gathering for Hope Gala plays a vital role in sustaining The Gathering Inn's work throughout the year. Sponsorship ensures that individuals experiencing homelessness are met with dignity, care, and opportunity as they work toward sustainable housing.

Your support makes it possible for our team to meet people where they are and walk alongside them with consistency and compassion. Through sponsorship, individuals receive individualized case management, mental health support, access to health care and help meeting basic needs, services rooted in respect and designed to support lasting stability.

This year's gala theme, *The Way You Look Tonight*, reflects a belief at the heart of our mission: every person has inherent worth and deserves to be truly seen. When people are supported with dignity and understanding, transformation becomes possible. Hope, like the values that guide our work, never goes out of style.

Together, we are reaching out and lifting up, building a community where hope looks beautiful on everyone.
