

## GET TO KNOW ONE ANOTHER

If you could start a non-profit to help one group of people, who would you choose to help and why?

## PRAYER

Spend some time in prayer for each other.

### HELPFUL BACKGROUND

#### The Foreigner (Sojourner)

In ancient Israel, foreigners had no land, inheritance, or legal protection. God commanded Israel to treat them justly, remembering their own history as foreigners in Egypt (v.21).

#### The Fatherless and the Widow

These groups were especially vulnerable in Israelite society. With no male provider or protector, they often lacked financial support and legal defense. God's law made special provision for them as a reflection of His justice and mercy (v.22).

#### The Link Between Empathy and Obedience

God reminds Israel, "You were foreigners in Egypt," calling them to compassionate action rooted in personal experience (v.21). This reflects a biblical pattern: our experience of grace leads us to extend grace to others.
