

DEAR TRINITY GROWTH GROUP SERIES

“Dear Trinity” is a twelve-week series aimed at hearing from the Lord. Each week your group will gather and share what God has shown you in His Word. It’s important to practice devotion to God’s word with each other. Be willing to share how God is working in your life as you seek Him in Scripture.

USING THE READING PLAN!

We’ve published a 12-week reading plan to follow. Be clear on the following:

- ☐ **I can find the reading plan to follow.**
It’s available as a bookmark at church, or available online at trinitybible.org/deartrinity.
- ☐ **I know what days of the reading plan we are doing together.**
Decide what 5 days of the reading plan you’ll be discussing depending on what day you meet.
- ☐ **I know how to prepare for Growth Groups with daily devotion.**
Use the H.E.A.R method to engage with the Holy Spirit as God makes Himself present in your life through devotion to His Word. Learn the H.E.A.R method at trinitybible.org/hear.

SPIRITUAL GROWTH QUESTIONS

1. Look over this week’s reading plan. What day was most significant for you?

When you share, share the following with your group:

H: The passage you are sharing from and what part you focused on.

E: The meaning you clarified.

A: The application.

R: How you are responding.

2. Was there a day this week where the Explain step was hard? What made the passage difficult to understand, and did anything help you work through it?
3. Did any theme repeat across more than one day this week? What connected the passages for you?
4. Think back to your Apply step on any day this week. What got in the way of living it out, or where did you actually see it happen in your week?
5. This was your first week on the H.E.A.R. method. What part of the rhythm was the hardest (setting aside time, hearing from God, journaling, sharing it with the group)? What adjustments can be made?
6. Is there a verse from this week you want to remember? Share it with the group.
