CERTIFIED MAINTENANCE INSPECTION PROGRAM

INSPECTION SEASON OFFER · NOV 1, 2026 – MAR 31, 2027

10% OFF MAD CONCAVES®

Save all season long. Best of all, have them installed during your CMI — while your combine is already in the shop.

CMI

CERTIFIED MAINTENANCE INSPECTION

400+ POINT INSPECTION

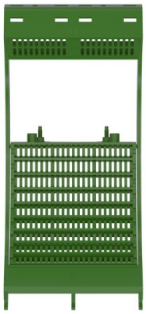

400+ POINT INSPECTION • FACTORY-TRAINED TECHNICIANS • CMI GUARANTEE*

NOW IS THE BEST TIME TO INSTALL MAD CONCAVES®

Split-frame MAD Concaves® built for John Deere STS / S Series and X9 combines. Booking a CMI? It's the easiest time to have Western Sales technicians install them.

STS / S SERIES SPLIT FRAME

X9 SPLIT FRAME

Get in early
Install MAD Concaves now and your combine is ready for any conditions next season.

Swap fast, thresh right
Fast swaps between crops and conditions, so threshing is never sacrificed.

Pro install, one visit
Add the install to your CMI and get it done in one trip.

ALSO 10% OFF THIS SEASON

SmartPan System™
Measure your harvest loss

MiniCombine™
Thresh samples on the spot

Book your CMI. Save 10%.
