

MISSION

Sust'āinable Molokai is a 501(c)(3) non-profit community development organization committed to restoring 'āina momona (thriving people and abundant land) to Molokai by uniting traditional practices with responsible, modern sustainability solutions.

Our current programs focus on strengthening food security & sovereignty, energy resilience, and environmental & natural resource conservation on Molokai.

ON THE HORIZON

Sustainability Center - 'Umeke 'Ai o Molokai "Food Bowl of Molokai"

A place to serve the community in times of emergency and as a Community Center.

PHASE 1

COMPLETED

- Completed Precedent Site Visits to Maui, Oahu, Hawai'i Island (Hilo & South Kona)
- Completed HCF's Emergency Preparedness Cohort & SM's Emergency Preparedness Plan

IN PROGRESS

- Community Assessments
- Feasibility Study
- Site Assessments
- Conceptual Design

HOW TO CONTRIBUTE

With your help, we can provide our programs with the tools necessary to impact Molokai positively and execute our vision of restoring 'āina momona.

FOOD SOVEREIGNTY

Food Hub - Mobile Market

Our Food Hub - Mobile Market has been connecting local producers with consumers since 2015. Our mission is to permanently align the local food supply with our community's needs, increase the total food production on Molokai, and ensure that everyone has access to affordable, local, healthy food.

65+

Local Hawaii growers and food producers supported

160+

ENERGY RESILIENCE

Molokai Clean Energy Hui

For the first time ever, the Public Utilities Commission and Hawaiian Electric have paused their normal off-island energy planning process. This allows us, the Molokai Community, to develop our own plan!

60+

MCEH members

The State of Hawaii has a mandate to achieve 100% clean energy by 2045.

DID YOU KNOW?

Community Energy Resiliency Action Plan (CERAP)

Our CERAP mission is to develop a portfolio of clean energy projects to achieve 100% renewable energy for Molokai. Projects that are feasible, respectful of Molokai's culture and environment, and strongly supported by the community through an island-wide planning process that is community-initiated, driven, and led.
