LEGALTECH IN LEEDS SPONSORSHIP & PARTNERSHIP

LEGALTECH IN LEEDS IS THE ONLY DEDICATED COMMUNITY AT THE INTERSECTION OF LAW AND TECHNOLOGY IN THE REGION.

As the legal and tech sectors continue to grow in Leeds, we're here to support and foster collaboration, innovation, and success across the industry.

LegalTech in Leeds 2025: highlights from this year's innovation event

At Leeds Law Society we have members working in every kind of law firm, from large international firms to small, niche firms. We also have members across the in-house and public sector too.

An aim behind our work with LegalTech in Leeds has been to support our members, wherever they are based, to embrace the opportunities offered by technology, both in their work and how they engage with their clients, in whatever legal sector they work in.
