Birubi Point SLSC – Letter of Thanks

Dear Patrolling Members,

On behalf of the Birubi Point Surf Life Saving Club, I would like to extend a sincere and heartfelt thank you to each of you for your dedication and commitment throughout the Christmas and school holiday period.

This is always our busiest and most demanding time of year, and the effort you have all put in — often at the expense of time with family and friends — has not gone unnoticed. Your willingness to step up, patrol our beach, and keep the public safe truly reflects the values and spirit of our club.

Your support is unwavering and plays a critical role in the continued success of Birubi Point SLSC. You should all be incredibly proud of the service you provide and the professionalism you display while representing our club in the community.

Thank you once again for everything you do. Our club is stronger because of you.
