

Business Owner, Title

Hello (Business Owner),

11/04/22

I want to reach out to you about a business opportunity that could increase your profitability by 25-95%. If you partner with our Sweet Rewards program, we can help you set up with a top-of-the-line, modern customer loyalty program that will aid in bringing you loyal customers that are more likely to come back time after time. Here at ECPrints, we are a commercial printer that has numerous branches and areas of expertise (more info at <http://www.ECPrints.com/info>).

Over the past five years, we have been serving businesses in the Houston area and beyond with our Sweet Rewards program. We can handle 5 and 6-color small and mid-sized format printing (including short-run die-cutting for packaging), variable imaging and personalization, and database management. While many commercial printers do not effectively implement their database programs to cater to their customers' needs, we pride ourselves in a well-tested and streamlined process that allows our customers to personalize their rewards programs according to their business.

We are more than willing to provide you with examples, information, and consultation at no cost to you. Our biggest priority is for you to have a rewarding experience! You can respond to this message or call us at 123-444-5678 if you have any questions, thoughts, or concerns.

Kind Regards,

Esther Christodoss
