SPLIT WINDSHIELD PACKAGE

SPLIT WINDSHIELD

The split windshield brings back a classic look that Peterbilt has been known for throughout the years. The glass is bonded in, making it easy to replace. Bus Glass and Regular Glass are available.

VISOR

Mounted to our window frame in 8 locations, these visor options are made to have no vibration or sound. Reverse Bowtie, Straight, Center Drop, Bowtie, and Forward Bowtie styles are available painted or stainless

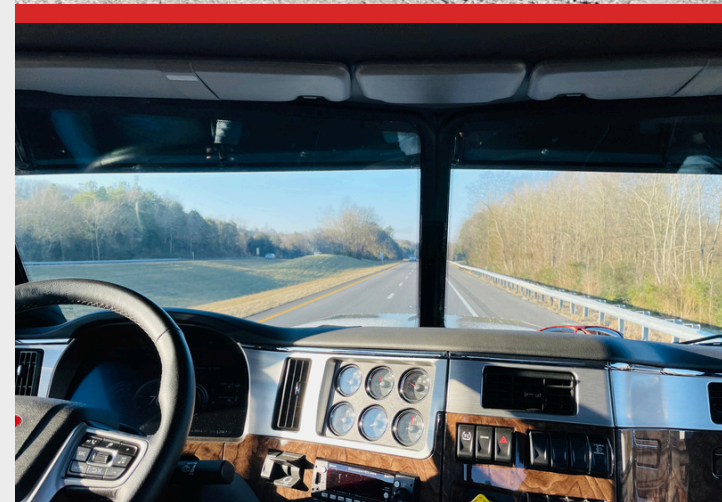

DROP DOWN CONSOLE

Allows the driver to better adjust sun visors to block sun rays for a safer driving experience.

LOWERED SEATS

Our seat rails lower the seats by 2" so drivers can have the option to ride lower if they prefer.
