

Peace of mind – no compromises.

Blue Cross and Blue Shield of North Carolina employees enrolled in a HDHP, with an annual base pay of \$75,000 or less per year, may have access to Paytient¹ to help tackle everyday healthcare costs² and feel prepared for when they're least expected.

Finally, you can turn "I'll get to it later" into "I've got this now."

The everyday card for everyday care.

Custom repayment plans that fit your budget.

Paytient gives you control over how and when you pay. Simply use your Paytient card to cover care expenses, then select a payroll-deducted repayment schedule that works for your personal budget.

Plus, you only repay what you spend, and not a penny more!

¹ The Paytient card is a line of credit that is subject to approval. All charges made to the Paytient card must be repaid according to the terms outlined in the cardholder agreement.

² The Paytient card works with providers in approved merchant categories, including select online merchants. Providers self-select their categories, which may not be categorized as expected. These categories vary by Sponsor. Check approved categories on my.paytient.com or the Paytient app. Some purchases must be made at specific points of sale, like pharmacy check-outs. Note: The card cannot be used for health insurance premiums.

The Paytient Visa® Credit Card is issued by Commerce Bank, Member FDIC.
