Sharad Avasthi, head of research (PCG), SMIFS said, "We believe that Paytm is in for some strong rating in the years to come as the company settles into existing businesses and start delivering bottom line growth. The company may report earnings of somewhere around 17 rupees in FY26."

Reporting timeline on cybersecurity not being followed: Irdai

MITHUN DASGUPTA Kolkata, June 14

OBSERVING THAT REGU-LATED entities in the insurance space are not adhering to the prescribed timelines on reporting of cyber security incidents, insurance regulator Irdai has directed all of them to "scrupulously' follow the provisions regarding reporting of such incidents.Issuing 'Cyber Security Guidelines, 2023' in April, Irdai had said organisations should mandatorily report cyber incidents to the Indian Computer Emergency Response Team (Cert-In) within six hours of noticing or being brought to notice about such incidents with a copy to the regulator and other concerned authorities.

"In this connection, it is observed that the regulatory entities are not adhering to the above mentioned timelines and also not keeping the authority in the loop in their communications to Cert-In,"Insurance Reg-

ulatory and Development Authority of India (Irdai) said in a circular on Tuesday. "Further, regulated entities

are required to submit available details of cyber security incidents to the authority in an enclosed format within 24 hours of intimation of the incidents,"it said. Irdai further said the details in the reporting format needs to be updated with flow of information from the forensic analysis as and when obtained and submitted to the authority as subsequent versions within 24 hours of such information being made available. "Insurance agents, microinsurance agents, point of sale persons and individual surveyors will not fall under the purview of these guidelines. However, it is the responsibility of insurers to ensure that these entities follow minimum security framework as defined under insurers'board approved policy in this regard," the guidelines said.
