

DECLARATION OF COMPLIANCE TO SUBSTANCE RELATED REQUIREMENTS OF DIRECTIVE 2011/65/EU AND 2015/863/EU (ROHS III)

Date: June 24, 2025

We hereby confirm that all BRECOflex belts and Ferropan belts delivered to you meet the requirements of the "Directive 2011/65/EU (RoHS II)" and its amendments.

We hereby confirm that compounds of cadmium, lead, mercury and hexavalent chromium, flame retardants PBB and PBDE including pentabromodiphenyl ether (CAS.No. 32534-81-9), octabromodiphenyl ether (CAS-No. 32536-52-0) and decabromodiphenyl ether (CAS-No. 1163-19-5), as well as Di(2-ethylhexyl)phthalate (DEHP), Butylbenzylphthalate (BBP), Dibutylphthalate (DBP) and Diisobutylphthalate (DIBP) for the production of the thermoplastics of all BRECOflex belts and Ferropan belts and for the production of the belts themselves have not been intentionally added and are not expected to be contained.

The presence of analytically detectable traces of the above-mentioned substances, which occur widely and have possibly been introduced into the thermoplastics via raw materials, auxiliaries and additives, can from the manufacturer of the thermoplastics not be excluded. Although these products have not been analysed for these metals, manufacturer of thermoplastics would not expect the total of these metals to exceed 100 ppm.

Exceptions like annexes III and IV are not known.

This letter is valid for the basis belts including PAZ, PAR and PAZ/PAR versions. Please contact us for specific cover materials for polyurethane timing belts since no blanket certification can be provided due to frequent changes.

Custom metal pulleys and stock accessories made of aluminum delivered to you meet the requirements of the Directive 2015/863/EU (RoHS III).

ESBAND flat belts do not contain any substances which are prohibited by the RoHS Directive 2015/863/EU (RoHS III) according to our present information. Due to frequent material changes no blanket certification can be provided. Please contact us for specific certification.

In addition, below are specific products with Compliance Status:

Product Description	Status
SM5 electronic tension meter	RoHS Compliant
ContiTech HTD black open ended belting in polyurethane	RoHS Compliant
