Sing to God (Psalm 68:1-4) - Capo 3

```
G          Am     G/B           C
God shall arise, his enemies shall be scattered;
       Em.                  C                      D
and those who hate him shall flee before him!
     G                     Am                      G/B             C
As smoke is driven away, so you shall drive them away;
                Em              D
        as wax melts before fire,
                  C                                  D
        so the wicked shall perish before God!
           C                        D
But the righteous shall be glad;
                      C                  D
        they shall exult before God;
                     C       D            G
        they shall be jubilant with joy!
 C        D              G                  C
Sing to God, sing praises to his name;
        C          D          G          D/F#
        lift up a song to him who rides through the deserts;
      Em              D
his name is the Lord;
          G  G/B   C
    e - xult be - fore him
                          D                  G
Sing to God, sing praises to His name
