

# Our values

## Excellence

- We are fastidious in our dedication to your interests.
- We challenge conventional thinking and always go the extra mile.
- We are efficient and responsive to deliver outcomes quickly.
- Our focus is to achieve the best possible outcome for you.
- Our expert teams are integrated and committed to ensure you receive the highest level of expertise.

## Integrity

- We adhere to ethical best practice.
- We are honest and transparent.

## Team First

- We have a culture of success.
- We foster a team culture where all “sweep the sheds”.
- We celebrate and reward individual and team success.
- We trust each other with respect and honesty. We build each other up.
- We have in place activities and processes to stay healthy so we are always operating at our best.

## Forward Thinking

- We constantly improve our skills and knowledge, so you benefit from the highest level of expertise.
- We embrace new technologies to deliver our services more efficiently to you.

## Community Leaders

- We provide pro bono support (financial and in-kind) to clients and organisations in need like the Subiaco Justice Centre Inc.
