Paytient Delivers Real Savings for Manufacturing Industry

Paytient is more than a highly valued employee benefit — it is a powerful tool to drive health plan cost savings. When employees can afford care at the exact moment of need, appointments are kept, medication adherence goes up, cost anxiety goes down, and health outcomes improve. The business result? Real cost savings for your health plan.

The Real-World Impact:

For this manufacturing company, investing in a better way to pay for care quickly translated into health plan savings. By launching Paytient in January 2024, the organization ensured its workforce could afford timely medical care and treatments, effectively lowering the plan's overall risk profile.

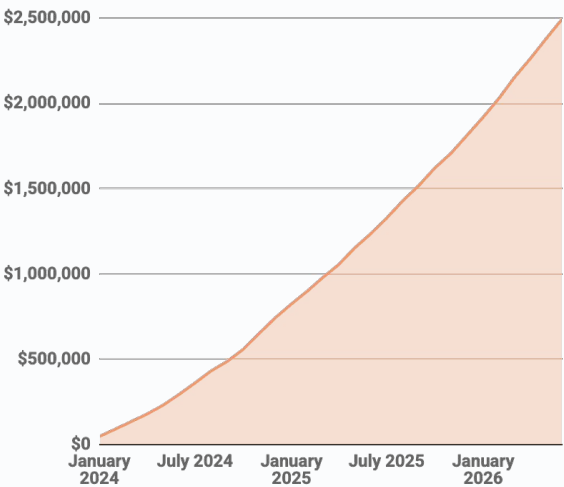

In 2025, Paytient delivered a clear financial return.

- **Solid Engagement:** 8.5% of the eligible workforce used Paytient to easily manage their out-of-pocket healthcare expenses.
- **Access to Care:** Paytient facilitated \$1M+ in total healthcare spend in 2025, predominantly driving usage across critical Medical (21%) and Pharmaceutical (49%) categories.
- **Health Plan Savings:** By empowering members to access timely care instead of walking away, the program prevented high-cost clinical interventions and generated more than \$700,000 in direct health plan savings.
- **Real ROI:** Every year, the company breaks even within three months. In 2025, the program delivered a remarkable 4:1 return on investment relative to cost.
