

Charge to Mobile Singapore Framework

User Acquisition Flow Requirements

V1.2 (Oct 2026)

Key Notes/Regulatory Rules

- Subscription base hosted by Infomedia
- English primary language
- Adverts must state price/frequency of service charges, that it automatically renews unless cancelled, and the cancellation details (e.g. send STOP SERVICE to 1234)
- It is strictly mandatory to retain logs of each time the user uses the service
- The '\$' symbol shall be used for pricing, this is SGD (not USD)
- No animation on page
- Misleading advertising is construed very strictly in Singapore

Subscription PIN Flow Guide
