Payment Plans

Marcellin College offers a choice of three (3) payment plans to pay tuition fees:

Plan 1 a single payment on or before 15 February 2026

Plan 2 two equal payments on or before 15 February 2026 and 15 July 2026 respectively

Plan 3 ten equal monthly payments on the 15th of each month from February 2026 to November 2026.

Where the 15th of the month is a weekend or public holiday, automatic deductions will be processed on the next business day.

New families will have the opportunity to select a payment plan. Existing families will default to their 2025 payment plan for payment of 2026 fees and will have the opportunity to change their payment plan if desired.

We require all families to provide either credit card or direct debit details to process the tuition fees via automatic deductions.

Please note the following with regard to discounts:

- discounts offered in 2026 apply to the 2026 academic year only and may be subject to change in future years
- entitlement to a fee discount exists once the last instalment is paid. Recipients of a 2026 College Bursary will not be entitled to receive any discount in 2026.
- any account with an overdue balance at the end of 2025 will not be entitled to a discount in 2026 unless the overdue balance is fully paid by the time the final instalment of 2026 tuition fees is paid
- discounts are issued as a reduction of the final fee payable or as a credit to the account and provided all instalments of the nominated payment plan are paid by their due date.

Other Charges

The following charges are payable in addition to tuition fees:

- optional camps, excursions, trips and programs
- library charges – late fees and replacement costs
- laptop repairs (not covered by warranty)
- instrumental music tuition & instrument hire
- public speaking tuition
- chartered bus service.

Tax Invoices for these charges will be issued separately to the invoice issued for tuition fee billings. Payments of these charges are due within 14 days of receipt of a tax invoice and cannot be paid by incorporating them into the tuition fee payment plans.

Families that are bursary recipients or that are in arrears on payment of tuition fees are ineligible to participate in Beyond the Classroom activities that incur an additional cost.

VET and unscored VCE: For all students enrolled in VET or who are unscored VCE students, full annual tuition fees are still payable.

Enrolment Confirmation

Families returning to the College for the following year are required to confirm their enrolment and pay an enrolment confirmation fee of \$500 which will be fully applied to the fees for the following year. The credit will be on your February 2026 statement.

Bursary Program

We acknowledge and accept that many families make sacrifices to provide their sons with a Marcellin College education. However, it never has or will be the College's desire that parents or carers reach the point of financial distress to meet the cost of sending their child to Marcellin.

The College Bursary Fund to assist those in financial need will continue in 2026. Applications are sought from all families whose payment of fees exceeds 11% of their gross family income. However, there is no commitment that this will be the trigger point for entitlement to a bursary or that any bursary application will be successful.

Information regarding eligibility and the application process is outlined in a separate document titled *2026 Bursary Application Form* available from the College office. For more information please visit the College website at marcellin.vic.edu.au.

Withdrawal of Students

Parents or carers must provide written notice of at least one term if their son is leaving the College. Otherwise one quarter of the scheduled annual tuition fee is payable in lieu of notice.

Conditions of Enrolment

Students' enrolments are also subject to the Conditions of Enrolment signed by parents or carers. Copies can be requested from the College Registrar.
