

Brick-by-Brick

Building Meaningful Inclusion

Pacific Autism
Family Network

pooni group
foundation

B.C. based Architects and Developers have built our communities 'Brick By Brick' into a world class place to live, work and play. Now, can they do it again with LEGO® bricks?

Brick-by-Brick – Building Meaningful Inclusion is a Pooni Group Foundation and Pacific Autism Family Network initiative created to celebrate B.C.'s iconic landmarks and monuments out of LEGO®, while also raising money for Autism programming across B.C.

How to participate

Register Your Team

- 1.** Rally a team together.
- 2.** Register your team by September 15, 2026. 100% of entrance fee is a charitable donation to Pacific Autism Family Network.
- 3.** Submit your proposed iconic landmark/moment as part of your registration. First come, first served for locations. (Don't let someone else scoop a project your team may have designed!)
- 4.** Get your LEGO®, your drawings, potential game-changing partners, and build within the guidelines provided. Drop your completed project off at PAFN by November 16.

Too Busy To Build?

Partner up with a community group

You can still support PAFN, while also encouraging youth and community groups to get involved in architecture! We can help match you with a group to sponsor, and you can be as involved as you'd like in supporting their build.

Registration Fee

Early-Bird Entree - \$2026

Must register before April 30th, 2026.

Regular Entree - \$2126

For architects, developers, and other companies looking to compete or sponsor a community group.

Community Group Entree - Contact Us

In the spirit of Meaningful Inclusion, we're committed to ensuring everyone has the chance to participate in Brick-by-Brick. Community groups entering without a sponsor are encouraged to contact us directly to discuss registration fees.

The 2026 Theme

Iconic B.C. Moments

We're talking about moments like the 2010 Vancouver Olympics, the completion of iconic structures that reshaped our province, or the excitement of the 2026 FIFA World Cup.

So when you pick your B.C. location or landmark, you're also telling a story that captures the feeling of a moment in time and transports viewers back to a specific day, place, or memory.

In other words, don't just build the structure—bring the moment to life.

Have questions about this year's theme? [Contact us.](#)

Project Visibility

- All project submissions will be professionally transported and displayed at the annual LAUNCH Holiday Luncheon, in front of an audience of more than 700 government, business, and community leaders.
- Builds will also be featured across PAFN and Pooni Group's social media channels, with photos, videos, and participant highlights.
- The competition will be promoted through news and media partnerships, helping showcase participants' creativity to a broader audience across British Columbia.
