2 Learning Outcomes

If you found this PYP Planning Template useful, an automated version of this planner is available on Qridi Core

- Write, edit and share your Units of Inquiry with your co-teachers and coordinator on a simple one-page digital planner.
- Fewer planning steps are needed as aligned and chosen concepts and outcomes automatically appear on the planner.
- Expanded field options include Resources, Learning Environment, Student Action, and more.
- Use the help buttons in each field for expert guidance.
- Dropdown menus for Differentiation, Concepts, Approaches to Learning, and Learner Profile aid planning.
- Colors indicate when aligned learning outcomes match what you have planned.
