

The **no monthly payments** loan for responsible homeowners

Responsibly unlock your home equity or consolidate your debt payments with Midkey's revolutionary **NO MONTHLY PAYMENTS** loan.

Midkey is the innovative lending solution for smart borrowers as an alternative to traditional lenders. Midkey's loan has NO MONTHLY PAYMENTS. Pay back Midkey when you are ready or when you sell your home †.

What makes Midkey a better solution?

- No monthly payments.
- Midkey can be used as a first OR second mortgage.
- Midkey can often offer a solution when other lenders cannot.
- Interest does not compound (we use simple interest).
- Your loan, plus all the interest and a Midkey Deferral Fee are paid when you sell your home or when you are ready.
- Use the loan however you want.
- May reduce your monthly debt payments.
- Available to ages 18+.

Product specifications

Regular payments

- No regular payments of interest (interest accumulates and is payable at the end of the loan)*
- No regular repayments of principal amounts (occurs at the end of the loan)*
- No ongoing fees

*provided the loan-to-value ratio of your mortgaged property has not exceeded 100% during the life of your loan.

Loan amounts

Minimum: \$100,000
Maximum: \$5,000,000

If the Midkey loan is a 2nd mortgage, the 1st mortgage must be a standard "principal plus interest" loan (where payments cover both the principal amount borrowed and the interest charged).*

*A valuation reduction of a minimum of 5% is applied to a property's initial independent valuation. This discount allows Midkey to provide short-term loans that are still economically viable for Midkey and its investors.

Eligible properties

- Owner-occupied houses, plus recently added investment houses & apartments*
- Available in most Australian state capitals and major population centres**
- Rural & commercial properties are currently not eligible

*Specific lending criteria applies to certain locations and apartment types.

Loan term

No loan term.

The Midkey loan is fully repayable if the borrower:

- decides they want to repay the Midkey loan (at any time)
- sells their property
- moves into an aged care facility
- dies, or
- defaults

Loan term cont'd	<p>The Midkey loan is partially repayable if:</p> <ul style="list-style-type: none"> the borrower chooses to make a partial repayment (minimum \$50,000) it is a second mortgage, and the borrower increases the amount of their 1st mortgage loan, they must use 25% of any increase in their 1st mortgage loan to partially repay their Midkey loan the LVR (Loan to Value Ratio) is greater than 100% (i.e. the combined 1st mortgage and Midkey loan) the borrower must make a partial repayment to reduce the LVR to below 100%
Fees at START of loan	<ul style="list-style-type: none"> An establishment fee of 1.5% of the loan value with a min. of \$3,000. Valuation fees from an independent valuer, range from \$330 – \$3,650 (quotes required for homes over \$10m); the applicant pays directly to the valuer. Document preparation costs and out-of-pocket expenses (approx. \$450). Mortgage registration fees (varies between states). All fees (except valuation costs) are deducted from loan proceeds at settlement.
Fees & Payments at END of loan	<ul style="list-style-type: none"> The original (or “principal”) loan amount. Simple interest (not compounding) that has accumulated throughout the loan period. Instead of monthly payments, you pay the Midkey Deferral Fee at the end of your loan* (the end is when you or your executor sell your property or when you want to repay). The Midkey Deferral Fee is a proportion of any increase in your property’s value during the term of your Midkey, agreed at the start of your loan. For example, if your Midkey loan was 10% or 20% of your property’s value at the start of your loan, the Midkey Deferral Fee will be 10% or 20% of the increase in your property’s value, after Midkey applies an initial 5% valuation reduction. If your property’s value does not increase (or it decreases) during the term of your Midkey loan, you won’t need to pay a Midkey Deferral Fee. Valuation fee ranges from \$330 – \$3,650 (quotes required for homes over \$10m); the applicant pays directly to the valuer. Discharge fee, approx. \$500. <p><small>*provided (i) you are not in default under your Midkey loan, and (ii) the loan-to-value ratio of your mortgaged property has not exceeded 100% during the life of your loan.</small></p>

Daniel
Balmain East, NSW

"Midkey's entry has provided a truly innovative product, that not only allows homeowners to tap into their home equity but with no monthly payments. For me, Midkey helped me to pay off outstanding debts, improve cashflow at a time of rising rates and attend to much needed home renovation. Without hesitation, I highly recommend Midkey for its innovative home loan products and incredible customer service."

David
Labrador, QLD

"Amanda Hall, as the rep for Midkey, was nothing other than amazing to deal with. Not only is the product Midkey offers amazingly suitable for homeowners who have built up equity in their home, but their customer service is also incredible. Amanda listened to what we wanted to achieve from the process; clear debt and prepare for our upcoming wedding, and she made it happen in a seamless manner. I can't speak highly enough of Amanda and the product Midkey offer."
