

Great news!

We're making our Automatic Refill program even better — your discount is increasing from 10% to **15% OFF EVERY** automatic refill.

Since you're already enrolled, there's nothing you need to do. Your new, bigger savings will apply automatically to every refill going forward.

To keep delivering the fast, dependable service you count on, we're retiring our \$5 flat-rate shipping option. Standard shipping is now \$9 for USPS, \$15 for UPS, and \$22 for refrigerated. Your **15% savings** is our way of saying thank you.

We're incredibly proud to provide your personalized medications — thank you for choosing Bayview Pharmacy.
