For Patients & Caregivers

- **Give this form directly to your healthcare provider.** They must complete and sign it before Bayview Pharmacy can prepare your medication.
- You may receive this form from a provider or facility; bring it to your next appointment if it has not yet been completed.
- Do **not** fill out the prescriber sections yourself. Your provider will enter your dosing instructions and clinical details.
- After we receive the prescription, we will reach out to the patient to go over the medication, allergies, shipping/pickup, and payment.

Prefer to skip the fax? Bayview Pharmacy accepts electronic prescriptions from all major EHR and e-prescribing platforms on the Surescripts network. Here's how to send your prescription electronically in three quick steps.

How to E-Prescribe

1. Search for our pharmacy

In your EHR or e-prescribing platform, search the pharmacy directory for “Bayview Pharmacy” — or search by ZIP code 02886 and look for us in Warwick, RI.

2. Verify you have the right location

Confirm the listing matches the details in the box below before selecting it.

3. Enter the prescription and send

Enter the compounded medication exactly as it appears on the order form — product, strength, quantity, directions, and refills — then transmit. No fax needed; we take it from there.
