

Benthyg Cymru Template Survey

Benthyg Cymru CIC is a non-profit organisation working to making sharing things as easy as popping out for a loaf bread. Think about how often you use that drill in your cupboard - that is if you can afford one in the first place, it's not very often is it? Have you ever considered camping but couldn't afford to buy all the equipment? Would you have been able to take that trip if you could have borrowed the stuff you need? Need to mow the lawn but no space to store a lawn mower? What if you could borrow one instead?

This is the vision of Benthyg, a community-based library of things, we'll save you money, save you space and best of we save the planet! Between us, we don't ALL need a pressure washer or gazebo each. We need to make the most of existing resources and share it out between us, whether it's to save you space, save you money or contribute to saving the planet we've got you!
